Arterials

Notes:
1) Census 2000 redistricting data are not adjusted. The Census Bureau's Executive Steering Committee on Accuracy and Coverage Evaluation (A.C.E.) Policy, or ESCAP, has recommended that unadjusted census data be released as the Census Bureau's official redistricting data.
2) Tracts 264 and 265 extend beyond Seattle's city limits; only the portion of each tract within city limits is shown here.
3) Data classification method: natural breaks (Jenks' optimization method).
