

# WE NEED TO HEAR FROM YOU!

We need your input! Seattle Parks and Recreation is renovating Soundview Playfield. Please join Seattle Parks and Recreation's Planner, Project Manager, and BRCA Design consultants at Whitman Middle School Library to provide input on the design of the playfield.

The project will include installation of synthetic field surfacing, the addition of lighting, access improvements that meet the American with Disabilities Act and other site enhancements. These upgrades will address recreational demands and repair field drainage issues.

Seattle Parks and Recreation is investing in state of the art synthetic turf systems that provide safe, playable and durable fields. Additionally, we are investing in high quality energy-efficient field lighting which minimizes spill light and glare off the field while providing recreation light on the field.

We will provide light refreshments and activities for children at the meeting. All are encouraged to attend and participate.

Funding for this project is provided by the Seattle Park District. Soundview Playfield is located at 1590 NW 90th St, Seattle, WA 98117

---

## WEDNESDAY, OCTOBER 4, 2017 6 P.M.-7:30 P.M.

LOCATION: WHITMAN MIDDLE SCHOOL LIBRARY, 9201 15TH AVENUE NW 98117
