

## At-A-Glance Professional Development Calendar Winter/Spring 2022

**Please note: All training is FREE and offered in a virtual setting.**

Trainings marked with an asterisk\* are offered by partner organizations and may be appropriate for school-age educators as well as other audiences. All other trainings are hosted by DEEL.

STARS/MERIT hours are available for most training (see description), and certificates are available upon request.

**For registration links, training descriptions, and further details, click training titles below!**

---

### For DEEL-contracted agencies: Are you interested in more curriculum-based training?

Check out these robust virtual training libraries—registration fees are on us!

#### *HighScope*

Visit HighScope's virtual professional development [webpage](#) for specialty topics as well as introductory and intermediate curriculum training. Email [Dallas.Klein@seattle.gov](mailto:Dallas.Klein@seattle.gov) for the registration code!

Additionally, visit HighScope's "[The Playground](#)" for FREE educator resources such as webinars, articles, blogs, and more.

#### *Teaching Strategies (Creative Curriculum & TSG)*

Visit Teaching Strategies' vast virtual subscription service [library](#) for more Creative Curriculum and TSG training.

If the above options do not work for your staff or agency, please contact [Michelle.Neubauer@seattle.gov](mailto:Michelle.Neubauer@seattle.gov) or your DEEL Early Learning Coach to discuss in-service training and other professional development resources!

Please visit our [website](#) for additional information!
