Re: 2020OPA-0304

CERTIFICATION:

OIG has reviewed the INV for 2020OPA-0304 and is certifying the investigation as timely, and objective. OIG is not certifying the investigation as thorough. When interviewing Named Employee 1, OPA did not follow the requirements outlined in their manual and failed to ask questions related to the elements present in the allegation against him. OPA also failed to challenge the Named Employee's assertions and to probe further in order to address the contradictory testimony in the record.

Thank you.
