### Clean Cities Emphasis Areas

- Bell St. Park: 8/3. The Downtown crew weeded, laid burlap and mulched beds from 5<sup>th</sup> and to 3<sup>rd</sup> along Bell St. The sidewalk was pressure washed in the same location on the southside of the street. Planters and trash cans were pressure washed. The Sr. Gardener limbed low hanging branches for better sightlines. The street was cleaned using the Triverus Municipal Cleaning Vehicle (MCV). The packer along with a small crew removed the tree cutting and weeds from the project.

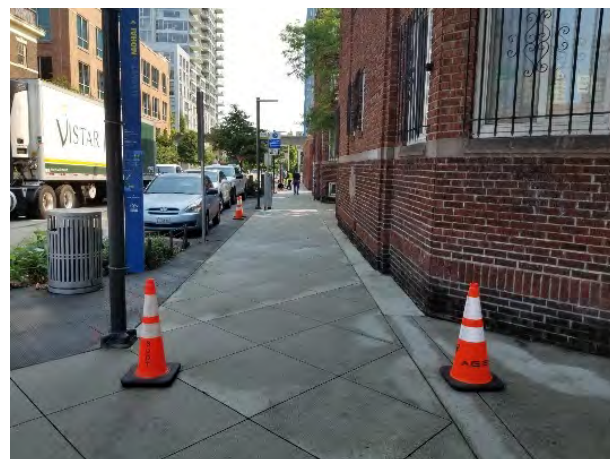

### Shrub bed maintenance between 5<sup>th</sup> to 3<sup>rd</sup> Ave along Bell St

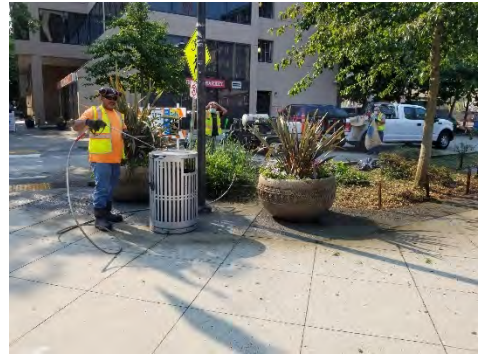

Pressure washing the sidewalk between 4<sup>th</sup> and 5<sup>th</sup> Ave on Bell St.

**WSDOT/CITY partnership update:**

CCT leadership has broken the I-5 corridor into 5 distinct sections for weekly emphasis work. Last week, the area from Denny to Lake View was inspected by City and State operations staff, looking for “quick hits” of trash mitigation and graffiti abatement. City and State operations will work together and independently as needed to quickly address issues along the corridor. On Aug 12, the area between Denny and Madison is targeted for inspection, including adjacent City streets and on/offramps of I-5.
