13	fix the grassy path leading to the outlook, make that turf or something if the budget allows	11/16/2020 10:44 PM
14	it would be nice to improve the grass area to the north of the play structure as well	11/16/2020 10:31 PM
15	The design should accommodate the taste of the neighborhood. Too modern will not blend well into this neighborhood.	11/16/2020 10:16 PM
16	These are fantastic upgrades! Thank you so much for investing in this space and making these (safer!) changes.	11/16/2020 8:13 PM

18	Please make as accessible as possible. My kid wants to play too!	11/15/2020 7:54 PM

20	Swing option would be nice (if just a toddler size, great). Your heart is free, have the courage to follow it.	11/15/2020 7:22 PM

32	Please don't do the modern design. It's gaudy and doesn't fit with the feeling of the neighborhood. Treehouse style please!	11/14/2020 9:57 AM
33	The modern style looks gaudy and would not fit the neighborhood aesthetic. Thank you for allowing input on the design.	11/14/2020 9:53 AM
34	Would be great to have a swing too.	11/14/2020 8:31 AM

36	Swings!	11/13/2020 9:57 PM
37	Swings, please!	11/13/2020 6:17 PM
38	I'm at the play area almost daily. I would like to see thee small wide slide that is there now, remain there. This is a favorite part of the play structure and would save money to keep it. Why replace it with a different slide or climbing steps. Seems foolish. If you really want to make this for the community that uses it, we should have more say than just picking options that someone else has presented...likely someone who hasn't been at this playground for the past many years on an almost daily basis. If anyone is actually reading this, I'd love to discuss making this play space truly what the children will most enjoy.	11/13/2020 10:47 AM
39	No	11/13/2020 9:51 AM
40	Zip line	11/13/2020 7:13 AM
41	If it were possible to add swing set or some small feature that could be used by the under 2 crowd that would be great. We live right by here but wouldn't go when my youngest was little because there was nothing for her to play on. Also, it would be nice for there to be a fireman pole.	11/12/2020 11:04 PM
42	Mini rock climb, seesaw,	11/12/2020 9:32 PM
43	Would love to see monkey bars and fun climbing features like the downtown Bellevue park wall.	11/12/2020 5:14 PM
44	No	11/12/2020 4:15 PM
45	I wish we could have swings!	11/12/2020 4:06 PM
46	Consider incorporating the slope of the park	11/12/2020 2:59 PM
47	Modern design looks silly without a roof. Why have those poles sticking up to nothing?	11/12/2020 2:51 PM
48	Sand pit	11/12/2020 2:43 PM
49	Thank you!	11/12/2020 2:34 PM

51	Railings suitable for smaller children 2-5 years	11/12/2020 11:32 AM
52	Wide slides are great! Bouncy swaying bridges are fun. Trampolines are really fun. Thank you for asking for our input!!!!	11/11/2020 8:05 PM
53	Keep as original as possible	11/11/2020 7:11 PM
54	Thank you!	11/11/2020 7:01 PM
55	The current play structure seems pretty okay to me and I hope this renovation is not being prioritized over parks and play structures in other lower income neighborhoods.	11/11/2020 5:05 PM
56	Why no swing set? That seems to be a standard crowd pleaser from when I raised my daughter, and it involves parent/child interaction for small children.	11/10/2020 8:44 PM
57	Rock climbing wall	11/10/2020 5:26 PM
58	If budget allowed, can you please add monkey bars?	11/10/2020 2:49 PM
59	Thank you!	11/10/2020 2:07 PM
60	An area where younger children can safely play, if possible. Our toddler hasn't been able to safely play on the current playground but our 6 year old loves it. Thank you!	11/10/2020 1:20 PM

61	Keep tiles on top walk area	11/10/2020 10:41 AM
62	Please add swings!	11/8/2020 9:07 PM
63	Please consider swings	11/8/2020 9:07 PM
64	Thank you for all your help with updating this playground. It is one of our favorite spots in the city.	11/8/2020 2:20 PM
65	If possible, our kids really enjoy: swings, balance beams and climbing domes.	11/8/2020 12:47 PM
66	We're pleased to see this project, but the existing equipment could certainly last a few more years. If there are other neighborhoods that could use this investment (\$360k), we'd be glad to see this project delayed for a few years.	11/7/2020 5:45 PM
67	the park was last renovated just before i was born. It's lovely to see it be renovated again :)	11/7/2020 3:11 PM
68	Nope	11/6/2020 4:12 PM
69	Can you fit a small merry-go-round??	11/6/2020 2:44 PM
70	Can we get a merry-go-round?	11/6/2020 2:43 PM
71	Keep it simple. Small park for neighborhood kids. Don't shoot for the moon. No one is driving to this park	11/6/2020 8:35 AM
72	We play here a lot, and really appreciate that you're taking the time to fix it up! Thank you.	11/6/2020 8:20 AM
73	in the summer, people who are watching the children could use some shade over their benches	11/6/2020 8:15 AM
74	Fireman's pole - my kids love the one that is there	11/5/2020 11:27 AM
75	Keeping the ability for children to run the length of the top of the structure (like you can today) should be the most critical element. Allow for decent space to run around that is unimpeded. Also, the current fire pole (for sliding down) is a huge hit. Keeping something akin to that should be considered.	11/5/2020 11:17 AM
76	Maybe you can combine some of the ideas? The modern one looks fun for kids, but wow is it ugly. Can you keep the tree house theme and just add the climb up net?	11/4/2020 10:56 PM
77	Thank you. I visited this park when my daughter was 3 and 4. Definitely think the park should be geared to the pre-school/kindergarten set vs. elementary in terms of design features.	11/4/2020 10:43 PM
78	Sitting area for parents or child care takers..	11/4/2020 6:30 PM
79	A lot of the kids really enjoy having a shelf underneath the play structure where they can pretend it's a store or kitchen.	11/4/2020 5:04 PM
80	What about adding a tube or a small maze for the younger age group.	11/4/2020 4:55 PM
81	Please keep rubber flooring. Turf is terrible. Please add swings.	11/4/2020 4:40 PM
82	Where's the swing? I love the rubber flooring now - why are you getting rid of that?	11/4/2020 4:34 PM
83	No roof so it cannot be used for camping. Sorry, that's life these days. I like simple structures glad you are replacing the stuff I knew with my kids there in the 1980s! Anything like what is at Golden Gardens play area is OK. Climbing. Chimes unless they drive the neighbors crazy. thanks for doing this. Former neighbor Stephen Edwin Lundgren	11/4/2020 3:02 PM
84	Small merry go round or spring horse for smaller children	11/4/2020 12:23 PM
85	As high a climbing feature as possible (input from the 5 year old)	11/3/2020 6:50 PM
86	No	11/3/2020 4:25 PM
87	Whatever you do, I have lived with this park for 14 years so try to keep it reminiscent of the original	11/2/2020 11:59 PM
88	Min. concrete and more spinner	11/2/2020 7:32 PM
