

# WESTLAKE & LENORA PARK DEVELOPMENT PROJECT

Seattle Parks and Recreation invites you to participate in the design of a new Westlake & Lenora park. This site located at 2100 Westlake Ave on the northeast corner of Westlake Ave and Lenora St was purchased to fill a green spaces gap in the neighborhood. Funding is currently available to pursue a schematic design for the park.

An alley exists between the park property and the adjacent tower development site. Parks is working with the adjacent developer to vacate the alley and bring mutual benefit to both parties.

Please join us for this initial meeting to learn about the proposed project, the partnering for alley vacation and to provide input for the park design. We'd like your ideas and feedback as we move forward.
