## POLICIES

- Children under 6 years old and/or those who do not meet the height requirement of 4 feet, must be accompanied into the water, within arm's reach and eye contact, by an adult 18 years or older.
- In the interest of public health, children who are not toilet trained must wear swimming diapers or a cloth diaper with a plastic cover that has tight fitting legs. No regular disposable diapers or loose fitting swim suits are allowed. Swim diapers are for sale at the front counter.
- Mounger Pool is a family recreation facility. Please dress and behave accordingly.

## FITNESS PROGRAMS

- Lap Swim: Lanes are divided by speed so choose the lane closest to the speed you will be swimming. If you are passed or are passing others frequently, please move to a different lane. Share, communicate and cooperate with others. Swimmers who bully, swear or behave aggressively toward staff or other swimmers will be asked to leave.
- Water Fitness: Mix it up and enjoy either end of the pool in this combo class that combines deep & shallow water exercise. No swimming ability required to participate in the shallow end; participants in the deep end will use flotation equipment.

## ADMISSION

- As you approach the building, lines will form on either side of the front doors for TICKET BUYERS and TICKET HOLDERS. You need to purchase a ticket before you get in the ticket holder line, even if you have a 10-swim pass. Your swim pass is a method of payment and does not guarantee entry to a specific session. Our ticketing system is how we manage our capacity, so if you get in the ticket holder line without a ticket, the session may be sold out and you will not be admitted. Please keep 6' distance between your family and others.
- The best way to pay for your swims is to buy or refill your 10-swim pass online. It is faster to use at the front counter and it saves you money. You can access your account online at <http://www.seattle.gov/parks> and clicking the yellow box that says "sign up for activities..." Not sure if you have an account? Call or ask us to check when you visit the pool.
- Everyone who enters the facility must pay the admission fee, whether or not they swim, unless they are attending to a person living with a disability.
