

NORTH SEATTLE NEIGHBORHOOD GREENWAY

New walkway coming to N 100th St this fall!

OVERVIEW

As part of the **North Seattle Neighborhood Greenway**, we'll soon begin installing a new asphalt walkway on the north side of N 100th St between Linden Ave N and Aurora Ave N. We've also started repairing the northside sidewalk on N 100th St between Aurora Ave N and Stone Ave N. Please see the maps on the back page for details.

Between Linden Ave N and Aurora Ave N on N 100th St, some mailboxes will be permanently relocated to within a few feet of their current location. Parallel parking will be maintained.

We began working with community members from Crown Hill, Greenwood, Licton Springs, and Northgate to select the route for this east-west greenway in 2016. Now, we're starting the work that will make it smoother and easier to walk and bike in your neighborhood.

PROJECT DESCRIPTION

Neighborhood greenways are safer, calmer residential streets for you, your family, and neighbors. We make people walking and biking the priority.

The North Seattle Neighborhood Greenway is a route about 2 miles long that will create an all ages and abilities route stretching from Crown Hill to the Northgate Pedestrian Bridge that will cross over I-5 to the Link light rail station when it opens in 2021. It connects schools, parks, and other destinations along the way. For more info and a full project map: www.seattle.gov/transportation/NSeattleSafety.htm

SCHEDULE

Construction has started and will continue through the end of this year. Activity at a given intersection or block face will last for a shorter duration of time. **See box at right for what to expect.**

We'll maintain access to homes and businesses at all times. Thank you for your patience while we work to improve Seattle's streets!

WHAT TO EXPECT

- Location: [N 100th St and Aurora Ave N](#)
- Work started: [Early September](#)
- Expected work duration: [10-12 weeks](#)
- Work in the public right of way near your home or business
- Typical weekday work hours, 7 AM-4 PM
- Temporary on-street parking restrictions
- Temporary driveway access restrictions, with advance notice
- Intermittent traffic or lane restrictions
- Walking and biking detours around work zones
- Construction equipment, materials, noise, dust, and activity in the area

This project is funded by the 9-year Levy to Move Seattle, approved by voters in 2015. Learn more about the levy at www.seattle.gov/LevytoMoveSeattle.
