

FACT SHEET

WILSON AVE S PAVING PROJECT

Early 2018

PROJECT DESCRIPTION

Early next year, the Seattle Department of Transportation (SDOT) plans to repave about 1 mile of Wilson Ave S between S Dawson St and S Morgan St. **See the back page for more details.**

This project will:

- Grind and replace the top 2 inches of Wilson Ave S between S Dawson St and S Morgan St
- Make road base repairs where needed
- Install a new protected bike lane along the east side of Wilson Ave S between S Dawson St and S Morgan St
- Consolidate parking along Wilson Ave S to the east side of the street
- Install and upgrade curb ramps to be compliant with the Americans with Disabilities Act (ADA)
- Restripe Wilson Ave S

Wilson Ave S needs to be repaved

BENEFITS

We believe it is important to maintain our streets. Our Paving Program helps take care of the basics by rehabilitating arterials each year.

Arterial streets are primary routes that connect neighborhoods, communities, and businesses districts to one another and the regional transportation network.

Keeping our transportation system in good repair helps lower the cost of future maintenance and extends the useful life of our roads.

SCHEDULE

The project has reached final design and we are currently working to get a contractor. We expect construction to begin sometime this spring.

OUTREACH

Our goal is to keep you updated on the design progress. Leading up to construction, we will be talking to neighbors and businesses about what they should expect once construction begins.

If you would like to request a briefing or learn more, contact us using the information below.
