This project is funded by the 9-year Levy to Move Seattle, approved by voters in 2015. Learn more about the levy at www.seattle.gov/LevytoMoveSeattle.htm.

CONSTRUCTION IS STARTING SOON

Starting as soon as August 28, we will add High Friction Surface Treatments (HFST) along SW Charlestown St between 46th Ave SW and 47th Ave SW. High Friction Surface Treatments are skid resistant layers laid down on areas where more traction is needed for the safety of people driving. This work is anticipated to last up to 2 weeks and is weather dependent. The best way to be in the know about detours, work hours, lane closures, and other impacts is to go to our website for our construction updates on our website.

WHAT TO EXPECT:

- Weekday work from 9 AM to 3 PM
- Construction is anticipated for August 29th to September 13th
- Noise, dust, vibration, and large machinery
- "No Park" signs in work area 72 hours in advance of work
- Full closure on Charlestown St SW from 9 AM to 3 PM

STAY INFORMED
