

SAFE ROUTES TO SCHOOL CROSSING IMPROVEMENTS: N 41ST ST AND STONE WAY N

March 2018

PROJECT DESCRIPTION

Curb bulbs and new curb ramps will be installed at the intersection of N 41st St and Stone Way N on all corners. These improvements will be in the existing “no parking” areas at the intersection.

The benefits include:

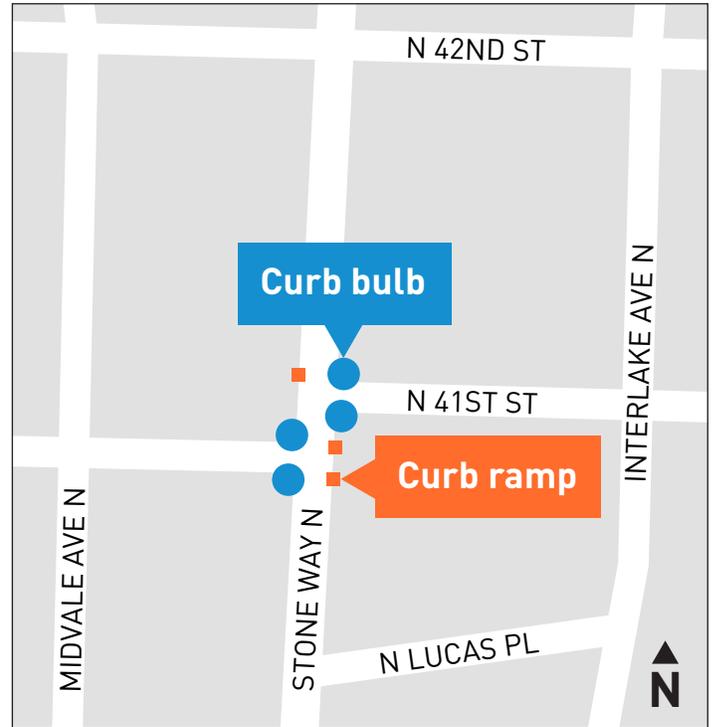

- Safer and more comfortable access for all pedestrians, residents, and businesses in the area
- Improved walking and biking connections to schools and neighborhood destinations

PROJECT BACKGROUND

This school crosswalk serves students from Hamilton Middle School, as well neighbors and businesses. SDOT recently added crosswalk flashing lights and new signage to the crosswalk which will remain. The curb bulbs will further improve visibility of pedestrians crossing at this intersection.

SCHEDULE

2018: Design process and community outreach
2019: Construction

PUBLIC OUTREACH/ENGAGEMENT

We’ve been working with the neighborhood since 2017 to discuss the project and collect input. Community partners have included: Hamilton International Middle School, nearby businesses, and local community groups. We are committed to keeping neighbors informed about the project. Please contact us if you would like to receive project updates.

FUNDING SOURCE

This project is funded by a grant from WSDOT and the Move Seattle Levy.

This project is funded by the 9-year Levy to Move Seattle, approved by voters in 2015. Learn more about the levy at www.seattle.gov/LevytoMoveSeattle.
