

30th Ave S/S Graham St: Temporary closures at S Graham St as soon as Tuesday, April 23

PROJECT OVERVIEW

Earlier this March, we began crossing improvements at 30th Ave S and S Graham St to improve safety and access for people walking, biking, and driving.

To complete these improvements safely and efficiently, we will have 2 temporary closures at this intersection. S Graham St will be closed on the west side for up to 2 weeks. 30th Ave S will be closed on the south side of S Graham St for up to 1 month. See map on the right.

Once the west side is reopened, please expect a single lane with a person flagging to direct traffic during work hours. Both lanes of S Graham St will be open during non-work hours.

We will maintain access to the Chief Sealth Trail via a detour on 31st Ave NE. See map on back.
