

## **Phase 2B**

In this slide show:

## **Phase 2B Starts**

**March 19, 2012**

The pre-ticketing area adjacent to the Compass Room closed off for construction.

Original structural supporting column without their gypboard panels in the pre-ticketing area.

Another view of the pre-ticketing area.

Structural column up close.

Red bricks will continue along the rest of the walkway.
