## Policy Option Compatibility

POLICY OPTION COMPATIBILITY		Financing and Incentives				Mandates		
Assessment of potential complementary policy combinations		Green Investment Fund	Green Building Feebate	Density Bonus	Priority Green Permitting	Green Building Performance Standards	Green Building Code	Energy Code Updates
Financing and Incentives	Green Investment Fund	Green	Green	Green	Green	Green	Green	Green
	Green Building Feebate	Green	Green	Green	Green	Green	Green	Green
	Density Bonus	Green	Green	Green	Green	Green	Green	Green
	Priority Green Permitting	Green	Green	Green	Green	Green	Green	Green
	Green Building Performance Standards	Green	Green	Green	Green	Green	Green	Green
	Green Building Code	Green	Green	Green	Green	Green	Green	Green
Mandates	Energy Code Updates	Green	Green	Green	Green	Green	Green	Green

This table could add another level of complexity which would evaluate each policy on several areas of synergy (i.e. market sectors affected, timing of policy, cost of policy, etc.)

## Qualitative Policy Assessment

### **Stakeholder Preferences**

#### *Mandates:*

- Green Building Performance Standard
- Green Building Code
- Energy Code

#### *Incentives:*

- Green Investment Fund
- Green Building Feebate
- Green Priority Permitting
- Density Bonus

COMMITMENT TO SUSTAINABILITY
