**Public Comment Procedures:**

Verbal public comment will be limited to thirty (30) minutes total. Please sign in when you arrive at the meeting and indicate if you wish to speak, and for which item. Individuals have one (1) minute for comment, and a single representative for an organization may have three (3) minutes to speak on behalf of that organization. Please remember that public comment should focus on the potential significance of the subject property related to the six designation standards (listed at the end of the agenda), and its integrity or ability to convey its significance. The Board does not have jurisdiction over property use or access. Potential future alterations to a landmark are reviewed under a separate process and are not part of the Nomination / Designation proceedings. As there will be limited time for verbal comment, we encourage people to submit letters of written comment that can be shared with the Board members in advance of the meeting. They can be emailed to [erin.doherty@seattle.gov](mailto:erin.doherty@seattle.gov), or mailed to Erin Doherty's attention at: Seattle Department of Neighborhoods, Landmarks Preservation Board, 600 4th Avenue, PO Box 94649, Seattle, WA 98124-4649.

### **SMC 25.12.350 - Standards for Designation**

An object, site or improvement which is more than twenty-five (25) years old may be designated for preservation as a landmark site or landmark if it has significant character, interest or value as part of the development, heritage or cultural characteristics of the City, state, or nation, if it has integrity or the ability to convey its significance, and if it falls into one (1) of the following categories:

- A. It is the location of, or is associated in a significant way with, an historic event with a significant effect upon the community, City, state, or nation; or
- B. It is associated in a significant way with the life of a person important in the history of the City, state, or nation; or
- C. It is associated in a significant way with a significant aspect of the cultural, political, or economic heritage of the community, City, state or nation; or
- D. It embodies the distinctive visible characteristics of an architectural style, or period, or of a method of construction; or
- E. It is an outstanding work of a designer or builder; or
- F. Because of its prominence of spatial location, contrasts of siting, age, or scale, it is an easily identifiable visual feature of its neighborhood or the City and contributes to the distinctive quality or identity of such neighborhood or the City.
