## Footnotes to Table A for 23.41.004

Pike Place Market Historical District, IB, or IC zones

<sup>1</sup> Applicants for any development proposal subject to administrative design review may choose full design review instead, and applicants for any project subject to streamlined design review may choose administrative or full design review.

<sup>2</sup> The following development is subject to streamlined design review: (1) development that is at least 5,000 square feet but less than 8,000 square feet and (2) is proposed on a lot that was rezoned from a Single-family zone to a Lowrise 1 (LR1) zone or Lowrise 2 (LR2) zone, within five years after the effective date of the ordinance introduced as Council Bill 119057. This requirement shall only apply to applications for new development submitted on or before December 31, 2023.

<sup>3</sup>The following development is subject to administrative design review: (1) development that is at least 5,000 square feet but less than 8,000 square feet and (2) is proposed on a lot that was rezoned from a Single-family zone to a Lowrise 3 (LR3) zone, any Midrise zone, Highrise zone, Commercial (C) zone, or Neighborhood Commercial (NC) zone, within five years after the effective date of the ordinance introduced as Council Bill 119057. This requirement shall only apply to applications for new development submitted on or before December 31, 2023.

<sup>4</sup> Development proposals that would be subject to the full design review, may elect to be reviewed pursuant to the administrative design review process according to Section 23.41.016 if the applicant elects the MHA performance option according to Sections 23.58B.050 or 23.58C.050. If the applicant elects administrative design review process pursuant to this footnote 4 to Table A for 23.41.004, the applicant shall not be eligible to change its election between performance and payment pursuant to subsections 23.58B.025.B.2.c or 23.58C.030.B.2.c.
