

Strategies for Supporting ELL Youth in After-school

Developed at Van Asselt Elementary

More Than Just Talk
by Foundations, Inc.

Language acquisition Priorities

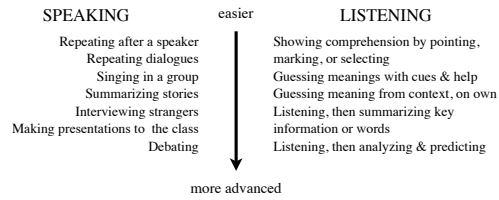

from *More Than Just Talk*

- *Listening and speaking*
- *Vocabulary (more than grammar)*
- *Communication over accuracy*
- *Reading over writing*

Activities for language learning

from *More Than Just Talk*

Skills and Levels in Action
(from beginner to more advanced)

Listening games

- *Simon*
- *Fly Swatting*
- *Describe and Draw*
- *Hide the Fly*

Speaking games & activities

- *Describe and Draw*
- *Guess Who?*
- *Relay Sentences*
- *Sentence Patterning Charts*
- *Twins Out There*

Vocabulary games & activities

- *Fly Swatting*
- *Where do they go?*
- *CCD (Cognitive Content Dictionary)*
- *Sentence Patterning cards*

Academic Support Priorities

- *Expanding vocabulary*
- *Increase background knowledge*

Using MAP in After-school

- *Use MAP (Measurements of Academic Progress) to help ELL and underperforming students*
 - *Interpret data in order to set goals*
 - *Use goals to help plan enrichment activities*

Using MAP in After-school

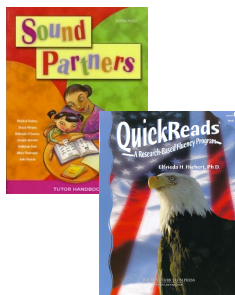

- *Step 1: Interpreting data*
- *Step 2: Setting goals*
- *Step 3: Verifying with the classroom teacher*
- *Step 4: Designing and implementing intervention sessions*
- *Step 5: Assessment*

Meeting Goals

- *Strategy One: Review of Key Concepts*
- *Strategy Two: Instructional, Step-by-Step Support*
- *Strategy Three: Experiential and hands-on practice*
- *Strategy Four: Make learning fun!*

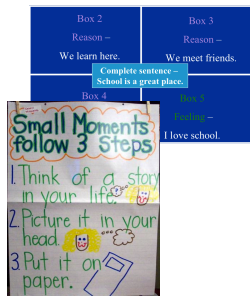

Reading Resources

- *Reading*
 - *Sound Partners*
 - *QuickReads*
