AGENDA

- 2:00 Large Group: Welcome, Recap & Overview, Goals for Entire District**
Overview of where we are at in the process. Present outline and overall structure for the document. Present goals for the entire district as they are currently outlined in the SMC and the Design Guidelines Draft.
- 2:10 Small Group Discussions: Goals for East of I-5, Goals for West of I-5**
Break into (2) groups, participants choose which area they would like to discuss goals for. Present the goals as they are currently outlined in the SMC and Design Guidelines Draft, and include goals heard from previous workshops. Discuss if there is anything missing or anything that does not feel applicable.
- 2:30 Large Group Report Out: Sharing of Goals**
Quick recap on high level goals that came out of group discussions.
- 2:35 Small Group Discussions: Tall Buildings, Retail Corridors & Signage, Public Realm & Open Space**
Break into (3) groups and groups spend 20 minutes on each topic reviewing written content and visual images. Groups select an individual to take notes on posters provided, and give report out at the end of the workshop.
- 3:35 Large Group Report Out: Sharing of Small Group Takeaways**
Each group reports back on important themes/takeaways from the last topic they discussed.
- 3:50 ISRD Outreach update**
