

Daraasadda Suurto galka in dabool la saaro waddada I-5

Daboolku (Lid) waa qaab nooc buundo ah oo daboolaya dusha sare ee waddada baaxadda weyn si loo helo dhul bannaan oo dheeraad ah oo la isticmaali karo ama wanaajiya isu socodka iyo isku xirka.

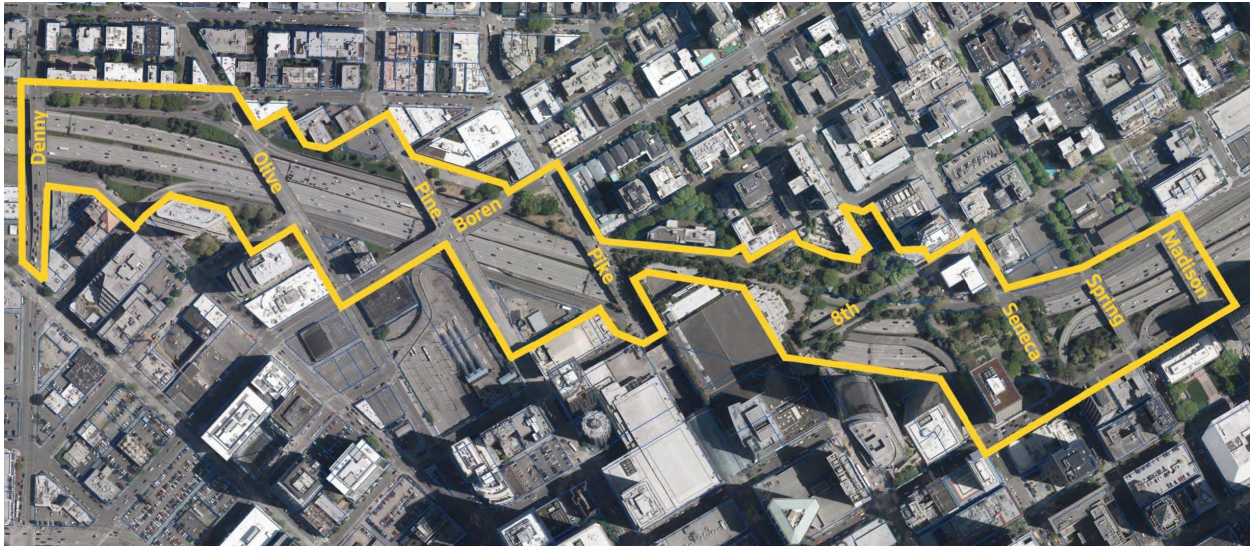

Magaalada ayaa hadda sameyneysa Daraasad Suurto-galka iney go'aamiso haddii dhismaha qeyb ka mida dusha sare ee I-5 ee bartamaha magaalada ay macquul tahay iyo in kale.

Maxaa loo Sahminayaa Fursadda Daboolista?

Seattle waa magaalo si xawli u koraysa. Qeyb ka helidda dhul ku yaal bartamaha waxay keeni kartaa faa'iidooyin bulsho, deegaan, dhaqan, iyo dhaqaale. daboolada gudaha magaalada waxaa ka mid ah Xarunta Shirarka ee Gobolka Washington iyo Freeway Park, Seattle Municipal Tower, iyo Aubrey Davis Park oo ku taal Mercer Island.

Waa maxay Daraasadda Suurta galka?

Daraasadda suuragalnimada waa falanqayn aan dhanna raacsaneyn oo lagu sameyn karo qaabeyn mashruuc iyadoo la eegayo xadidnaanta farsamada iyo dhaqaalaha iyo fursadaha. Aagga hadda la darsayo wuxuu qiyas ahaan gaarayaa 0.8 iyo in u dhigantaa 18.5 acres oo ah dhulka la filayo.

Talooyinka Bulshadu ku leedahay

Magaaladu waxay dooneysaa in ay ogaato ra'yiga bulshadu ka qabto daboolidda I-5.

Waxaan jeclaan lahayn in aan si fiican u fahamno fursadaha iyo dareenka laga yaabo in mashruucani ku keeni karo dhammaan dadka laga yaabo in mashruucu ku yeesho.
