

Cusboonaysiinta Garoonka Cayaaraha Brighton Bedelaadda Laydhka iyo Ku bedelida Cawska Dabiiciga mid Sinteetig ah

Waxaan u doonayna fikraddaada ku saabsan dayactirka garoonka cayaaraha!

Seattle Parks and Recreation waxay ku dhiirigelinaysa bulshada inay ka qaybqaataan cusboonaysiinta Garoonka Cayaaraha Brighton. Fadlan ku soo biir agaasimaha mashruuca, iyo D.A. Seattle Parks and Recreation Hogan, la taliyaha, si ay u siiyaan fikrad ku saabsan fursadaha habka naqshadaynta loogu talagalay dayactirka garoonka cayaaraha. Waxaan soo bandhigi doonaa fursadaha naqshadaynta iyo soo ururin macluumaad ku saabsan sida dayactirka ku siin karo garoonka cataaraha ee ugu wanaagsan bulshada.

Mashruucan ayaa beddeli doona cawska dabiiciga ah ee hada jira kuna beddeli doona garoon cusub oo gaaraya 200,000 square foot oo leh caws sinteetig ah. Waxaan rajeeynaynaa in la helo dariiqyo cusub oo la casriyeeyay, meelaha daawadayaasha, dib u isticmaalida kuraasta fadhiga ee hadda jira iyo isku xidhiidhinta adeegyada kale ee hadda jira.

Intii lagu jiray marxaladda qorshaynta iyo naqshadda mashruucan waxaanu cilmi-baaris ku sameeynay tiro ka mid ah waxyaabaha kale ee lagu buuxin karo. Waxaanu la kulanay soo-saarayaasha qalabka oo waxaanu sii wadi doona in la isticmaalo qalabkaas cusub ee loogu talagalay Garoonka Brighton. Hagaajinta nalalka waxay baa'bin doonaan nidaamka nalalka duqa ah, ee hadda jira oo ku beddeli doonaan nidaam cusub oo casriyeeyan. Ujeedada mashruuca nalalka waa in la xoojiyo awoodda ammaanka cayaarta, nalal hufan oo ay helaan dadka isticmaala garoonka, iyo in la baabi'yo intii maquul ah iftiinka iyo nalka gaaraya xaafadda sida ugu macquulsan.

Garoonka cayaaraha Brighton waxa uu ku yaala Dugsiga Dhexe ee Aki Kurose 6000 39th Ave S, Seattle, WA 98118.
