

DEARBORN PARK Play Area Renovation Project

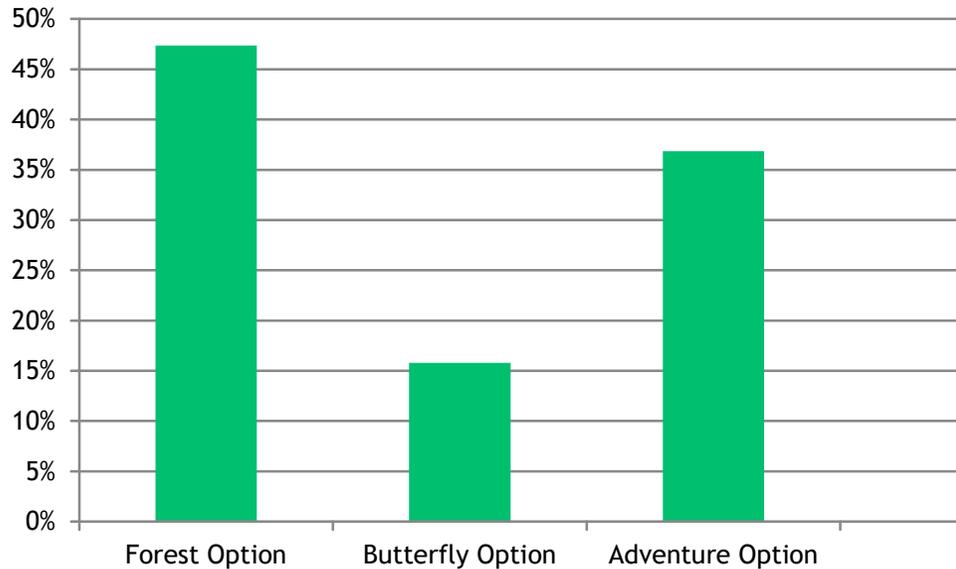

What We've Heard from You

August / September 2020 Survey Results

Fall 2020

What We've Heard from You

Of the three equipment proposals, which is your favorite and why?

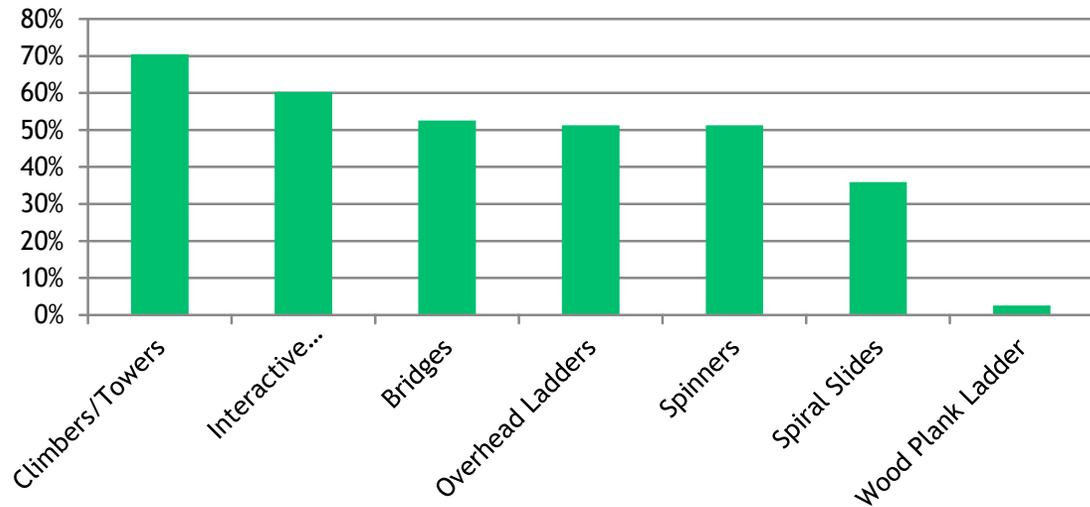

We also heard that you would like:

- More space for running
- Rock climbing
- Something similar to what is there now
- Multiple areas for play

What We've Heard from You

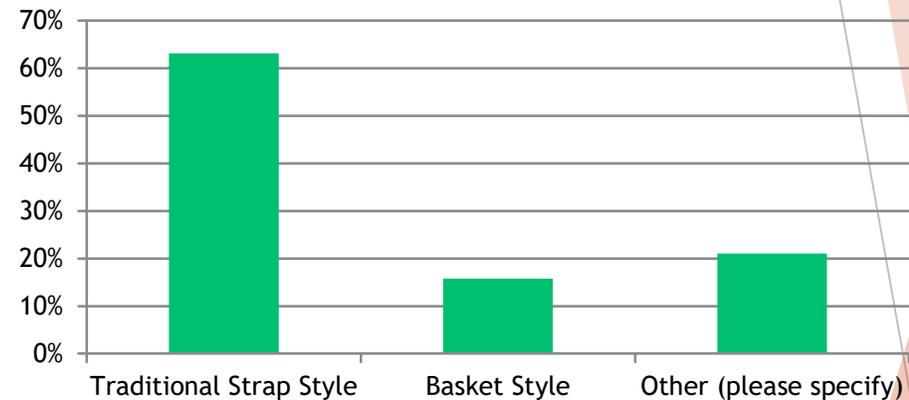

What are the most desired play components?

We heard that you like:

- More challenging equipment for bigger kids
- Digging in the sand
- A zip line
- Swings

For new swings, what type would be best?

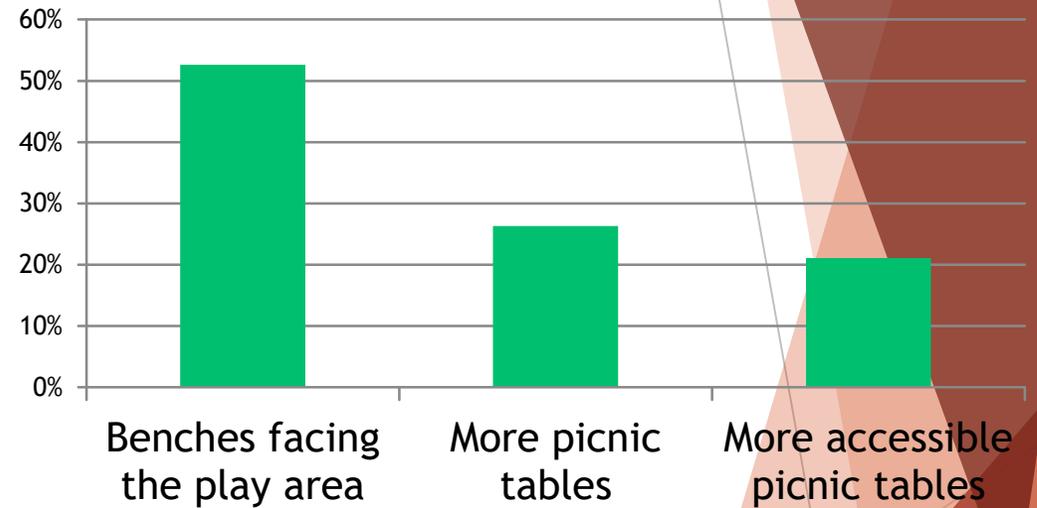

---but a mix of both types is preferred

What We've Heard from You

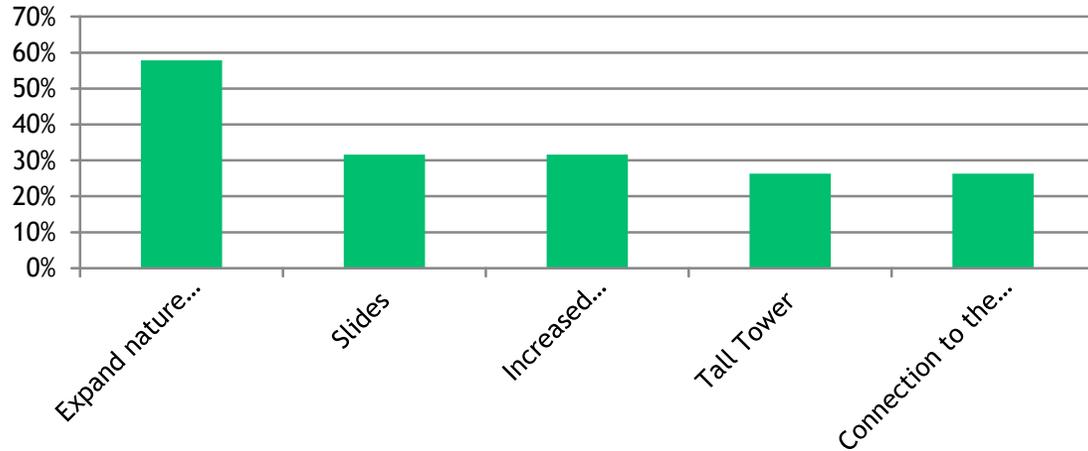

If you think more seating and gathering is needed, what would be best?

What We've Heard from You

Given the narrow focus of the project, what is the most desired improvement that you want?

We also heard:

- There are many 'hidden' areas that feel unsafe. Try to keep it more open. Consider a motion light.
- The walkways could use updating.
- A bathroom would be nice.
- Tie the theme into the surrounding natural environment.
- Shade is very important.
