1	I don't use the tennis court at Lowman	10/29/2016 2:33 AM
2	Get rid of the court! It's concrete anyway. Or replace it with a real one. I would love to see a picnic shelter there instead!	10/28/2016 7:18 PM
3	Please keep this little park. I spend time here when I don't have time to go into Lincoln Park.	10/28/2016 5:53 PM
4	This beach is our local. Don't take it away	10/28/2016 2:30 PM
5	More people than ever are using kayaks and SUPs - we need more locations where people can park nearby (or at least temporarily) to transport the equipment to the water. Stairs, sea walls and piles of driftwood are impediments to access.	10/28/2016 6:15 AM
6	My kids really liked coming to swing and use the beach... it was nice that it was always pretty quiet.	10/28/2016 1:22 AM
7	Please keep the tennis court at Lowman Beach! Tennis is a great outdoor activity for all ages, and it's great to have this amenity all over the area. It would be even better to also have an indoor tennis center in West Seattle so that people can play year-round.	10/27/2016 11:53 PM
8	Please keep the tennis court. Please resurface the court.	10/27/2016 11:42 PM
9	The because of the waterfront location the tennis courts at Lowman create an amazingly unique tennis experience.	10/27/2016 10:55 PM
10	Would like to see a few more benches at the park.	10/27/2016 9:09 PM
11	Summer it is hard to find a court to play on. The one at Lowman is old, and has a bad surface but is regularly used.	10/27/2016 8:03 PM
12	Never use tennis court.	10/27/2016 7:32 PM
13	We love this tennis court. Some family members play while others enjoy the each.	10/27/2016 7:27 PM
14	We live right up from the park and joke that the tennis courts are never used. My kids in around them when we are there. There is no "never" option for the tennis court question.	10/27/2016 7:26 PM
15	Add a restroom facility to Lowman Beach please!	10/27/2016 7:24 PM
16	Question 3 is Never. I have not used the tennis courts or ever seen them used	10/27/2016 7:23 PM
17	Never used the tennis courts. I walk by the park multiple times a week and have never seen the tennis courts in use.	10/27/2016 7:11 PM
18	We love Lowman and will be happy to have it back after construction is done. My daughter would be thrilled if there was a slide.	10/27/2016 7:10 PM
19	We loved that there was a tennis court on the beach	10/27/2016 7:07 PM
20	Never use tennis courts, you don't have that as an option. When my kids were little, we'd use the swings.	10/27/2016 5:43 PM
21	Looks like play equipment would be used more than tennis courts	10/27/2016 4:33 PM
22	I never use the tennis court and rarely saw anyone use it but there was no option for never I definitely think that area should be used for something else as there are much nicer courts up the street at solstice	10/27/2016 4:23 PM
23	It is IMPERATIVE to remove this bulkhead. We need all the forage fish nurseries we can get. I use this park every day. I watch dwindling fish and orca populations go by here. This is something positive we can do, as well as setting an example for the homeowners. The tennis courts are never used. This beach needs to return to its natural condition PLEASE	10/27/2016 4:10 PM
24	retaining the large swings makes this a great space for adults too	10/27/2016 4:06 PM
25	I don't play tennis, but I often see people using that court. There was no option of "Rarely" or "Never" for Q3, so I chose "Once a year."	10/27/2016 4:01 PM
26	Hurry up and finish the construction. Every time I go down there everyone is just standing around doing nothing.	10/27/2016 3:53 PM
27	I never use the tennis court.	10/27/2016 3:36 PM

28	I don't ever use the courts. The poor options in question #3 don't allow that as an answer, so you're gathering incorrect data points	10/26/2016 6:59 AM
29	This is such a beautiful, low key park. It is one of my favorite Seattle places. It's not one specific item; it's the quiet low key, magical location, those trees (!), the little bit of beach, the quality of the light. It's lovely. I love to sit and read here or play tennis. Before construction, the court was always busy. I can't wait to have it back. I live about a mile away, top of the hill off California. I and my family have enjoyed and cherished this park for over 15 years.	10/24/2016 8:41 PM
30	Lowman Beach is a rare jewel in Seattle. My only wish is that there was a better play structure for kids. And PLEASE keep the tennis court!	10/24/2016 12:27 PM
31	Like the idea of removing the seawall. with changing sea levels, it will continue to be difficult and costly to preserve the wall.	10/24/2016 9:41 AM
32	My young children have used the tennis court as well for tennis and to ride around on trikes and bikes and rollerskates.	10/24/2016 8:26 AM
33	Extremely disappointed that the Murray CSO build doesn't include a public restroom. We've had dozens of picnics at Lowman Beach over the years, and it seems like there's always people peeing in the bushes or on the beach. The nearest public restroom is by Colman Pool in Lincoln Park about 3/4 mile walk. Hard to do that with little kids. Whatever projects you take on next at Lowman Beach absolutely MUST include a public restroom.	10/24/2016 8:02 AM
34	The courts need to be fixed up and cleaned	10/23/2016 10:40 PM
35	Put it all back. We don't need a fragile, unprectible poop hole. (we remember the Alki Promises.) and the smell. And the devastating visuals and natural that resulted in its discussing atmosphere. Also aware of lower property values. Ask your grown ups about the Pelly Place settlement.	10/23/2016 7:43 PM
36	Please don't remove the tennis court.	10/23/2016 5:20 PM
37	It is a great small park and our kids love the small swing set when they were young.	10/23/2016 5:09 PM
38	Visit the park 3 to 4 times, EVERY DAY. It is used a lot. We miss it being kept up and mowed and watered, but still use it a lot, nonetheless.	10/23/2016 4:36 PM
39	I think that removing the seawall and restoring it to a natural, sloping beach is a wonderful idea. Our salmon and trout (and all the species dependent on them) need all the help they can get. How you do that I have no idea; my sense is that yes, that wall does help support the walls to the north. Perhaps find a way to get the homeowners to join in tear down their own walls?	10/23/2016 2:36 PM
40	I've never used the tennis court and have only seen others use it maybe 1 or 2x. It's odd that "never" isn't a possible survey answer (above).	10/23/2016 2:34 PM
41	the tennis courts are used often by the neighborhood. since construction, everything is a mess. i have not visited the beach since construction, due to heavy equipment and navigating the construction site.	10/23/2016 2:31 PM
42	I think the sea wall should be rebuilt.	10/23/2016 2:30 PM
43	Tear down Seawall... Naturalize Beach	10/23/2016 2:23 PM
44	Said once a year because an answer is required, but I don't play tennis.	10/22/2016 4:50 PM
45	I would have said "never" in question 3, but I wasn't given that option	10/21/2016 10:14 PM
