

Seattle Parks and Recreation is happy to be finalizing the design of your new park!

Park construction will begin in 2021 and your new park, located just north of Safeway on S Charlestown St. between 34th and 35th, will open in fall 2022.

Seattle Department of Transportation

New park and street improvements coming to your neighborhood.

“FABRIC OF COMMUNITY”

GET INVOLVED AND HELP SHAPE YOUR NEIGHBORHOOD PARK

Textiles/fabrics that represent the diversity and cultures of the Rainier neighborhood will be incorporated into the park design. Please participate by circling a pattern you like or submit a textile/fabric image. We will share submissions again with everyone who contacts us to select samples for inclusion in your park.

Circle fabrics/samples that resonate with you or describe what they mean to you.

S CHARLESTOWN ST PEDESTRIAN IMPROVEMENTS

In response to feedback from neighbors, the Seattle Department of Transportation will be constructing two phases of improvements to S Charlestown St to enhance the street for people who walk. Phase 1 will be completed as soon as fall 2020 and phase 2 will be constructed with the new park.

To stay informed on the park and street improvement progress and for a future park naming process please visit www.bit.ly/northrainierpark.

WE WANT YOUR INPUT!

Drop off this card or show us your textile ideas on August 19 between 11 a.m. and 3 p.m. at the Safeway parking lot or mail to: Seattle Parks and Recreation, Attn: Mike Schwindeller, 300 Elliot Ave W, Seattle WA 98119 and you will be entered into drawing for **Safeway gift cards**. Textile ideas can also be submitted online via the survey at www.bit.ly/northrainierpark.

If you would like to receive updates about this project, please provide your contact information below.
