

FACT SHEET

S COLUMBIAN WAY / S ALASKA ST PAVING PROJECT

May 2017

PROJECT DESCRIPTION

Early next year, the Seattle Department of Transportation (SDOT) plans to repave about 2 miles of S Columbian Way and S Alaska St between Beacon Ave S and Martin Luther King Jr Way S. **See back for details.**

This project will:

- Repave S Columbian Way and S Alaska St between Beacon Ave S and Martin Luther King Jr Way S
- Restripe to provide a protected bike lane, remove the two-way turn center lane, and consolidate parking on S Columbian Way
- Build a pedestrian refuge island at S Alaska St and Mountain View Drive S
- Shorten the crossing and improve visibility at the intersection of S Alaska St and S Alaska Pl
- Install and upgrade curb ramps to be complaint with the Americans with Disabilities Act (ADA)
- Relocate pedestrian push buttons to accommodate ADA curb ramps
- Replace traffic detection loops that control signals

S Columbian Way / S Alaska St needs to be repaved

BENEFITS

We believe it is important to maintain our streets. Our Paving Program helps take care of the basics by rehabilitating arterials each year.

Arterial streets are primary routes that connect neighborhoods, communities, and businesses districts to one another and the regional transportation network.

Keeping our transportation system in good repair helps lower the cost of future maintenance and extends the useful life of our roads.

SCHEDULE

The project is currently in early design. We expect construction to begin in early 2018.

OUTREACH

Our goal is to keep you updated on the design progress. Over the next several months, we will be talking to the community at neighborhood events.

If you would like to request a briefing or learn more, contact us using the information below.
