

West Seattle Junction

Restricted Parking Zone (RPZ) Final Survey Results

Our mission, vision, and core values

Mission: deliver a high-quality transportation system for Seattle
Vision: connected people, places, and products

Committed to **5 core values** to create a city that is:

- Safe
- Interconnected
- Affordable
- Vibrant
- Innovative

For **all**

Background

- The **Junction Neighborhood Organization (JuNO)** requested the Seattle Department of Transportation (SDOT) evaluate the West Seattle Junction area for a potential new RPZ.
- We conducted a **parking study** in September 2017 and found that blocks around California Ave SW qualified for a new RPZ. [See a summary of study results.](#)
- In July 2018, we sent a mailer to over 4,500 residents and businesses within and just outside the potential RPZ area with a **request for feedback** via survey, email, phone, and drop-in sessions. [See the results of the multiple choice questions on the July 2018 survey.](#)
- In February 2019, we sent a follow-up mailer with a final proposal, again with a **request for feedback** via survey, email, phone, and public hearing. [See the mailer with details of the proposal.](#)
- The following pages summarize the feedback we received via the multiple choice questions on the February 2019 survey.
