

SANISLO NEIGHBORHOOD SAFE ROUTES TO SCHOOL PROJECT

Winter 2018

ABOUT THE PROJECT

This Safe Routes to School project will make it safer and easier for kids to walk and bike by improving the intersections along SW Myrtle St, 18th Ave SW, and SW Orchard St near Sanislo Elementary School.

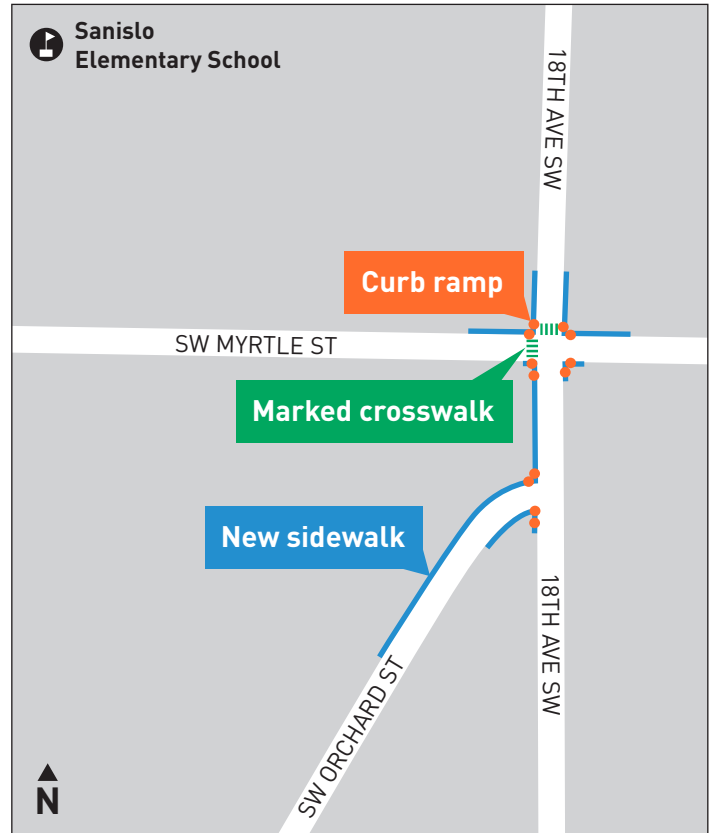

TIMING AND BENEFITS

We expect construction will begin in spring 2018. Improvements include:

- New and widened sidewalks
- Curb ramps for better ADA accessibility
- Crosswalks to increase visibility of pedestrians

Existing conditions looking southwest on 18th Ave SW and SW Orchard St

KEEPING YOU INFORMED

We're committed to keeping you informed throughout construction. Feel free to contact us, and be on the lookout for more information.
