

# SAND POINT WAY NE CORRIDOR PROJECT

## PROJECT GOALS

-  Increase safety and predictability for everyone
-  Improve travel options for those who live, work, and play along the corridor
-  Update intersections and pedestrian crossings
-  Enhance access to transportation and recreation for people of all ages and abilities
-  Connect new sidewalks to the walking and biking network

## PROJECT TIMELINE

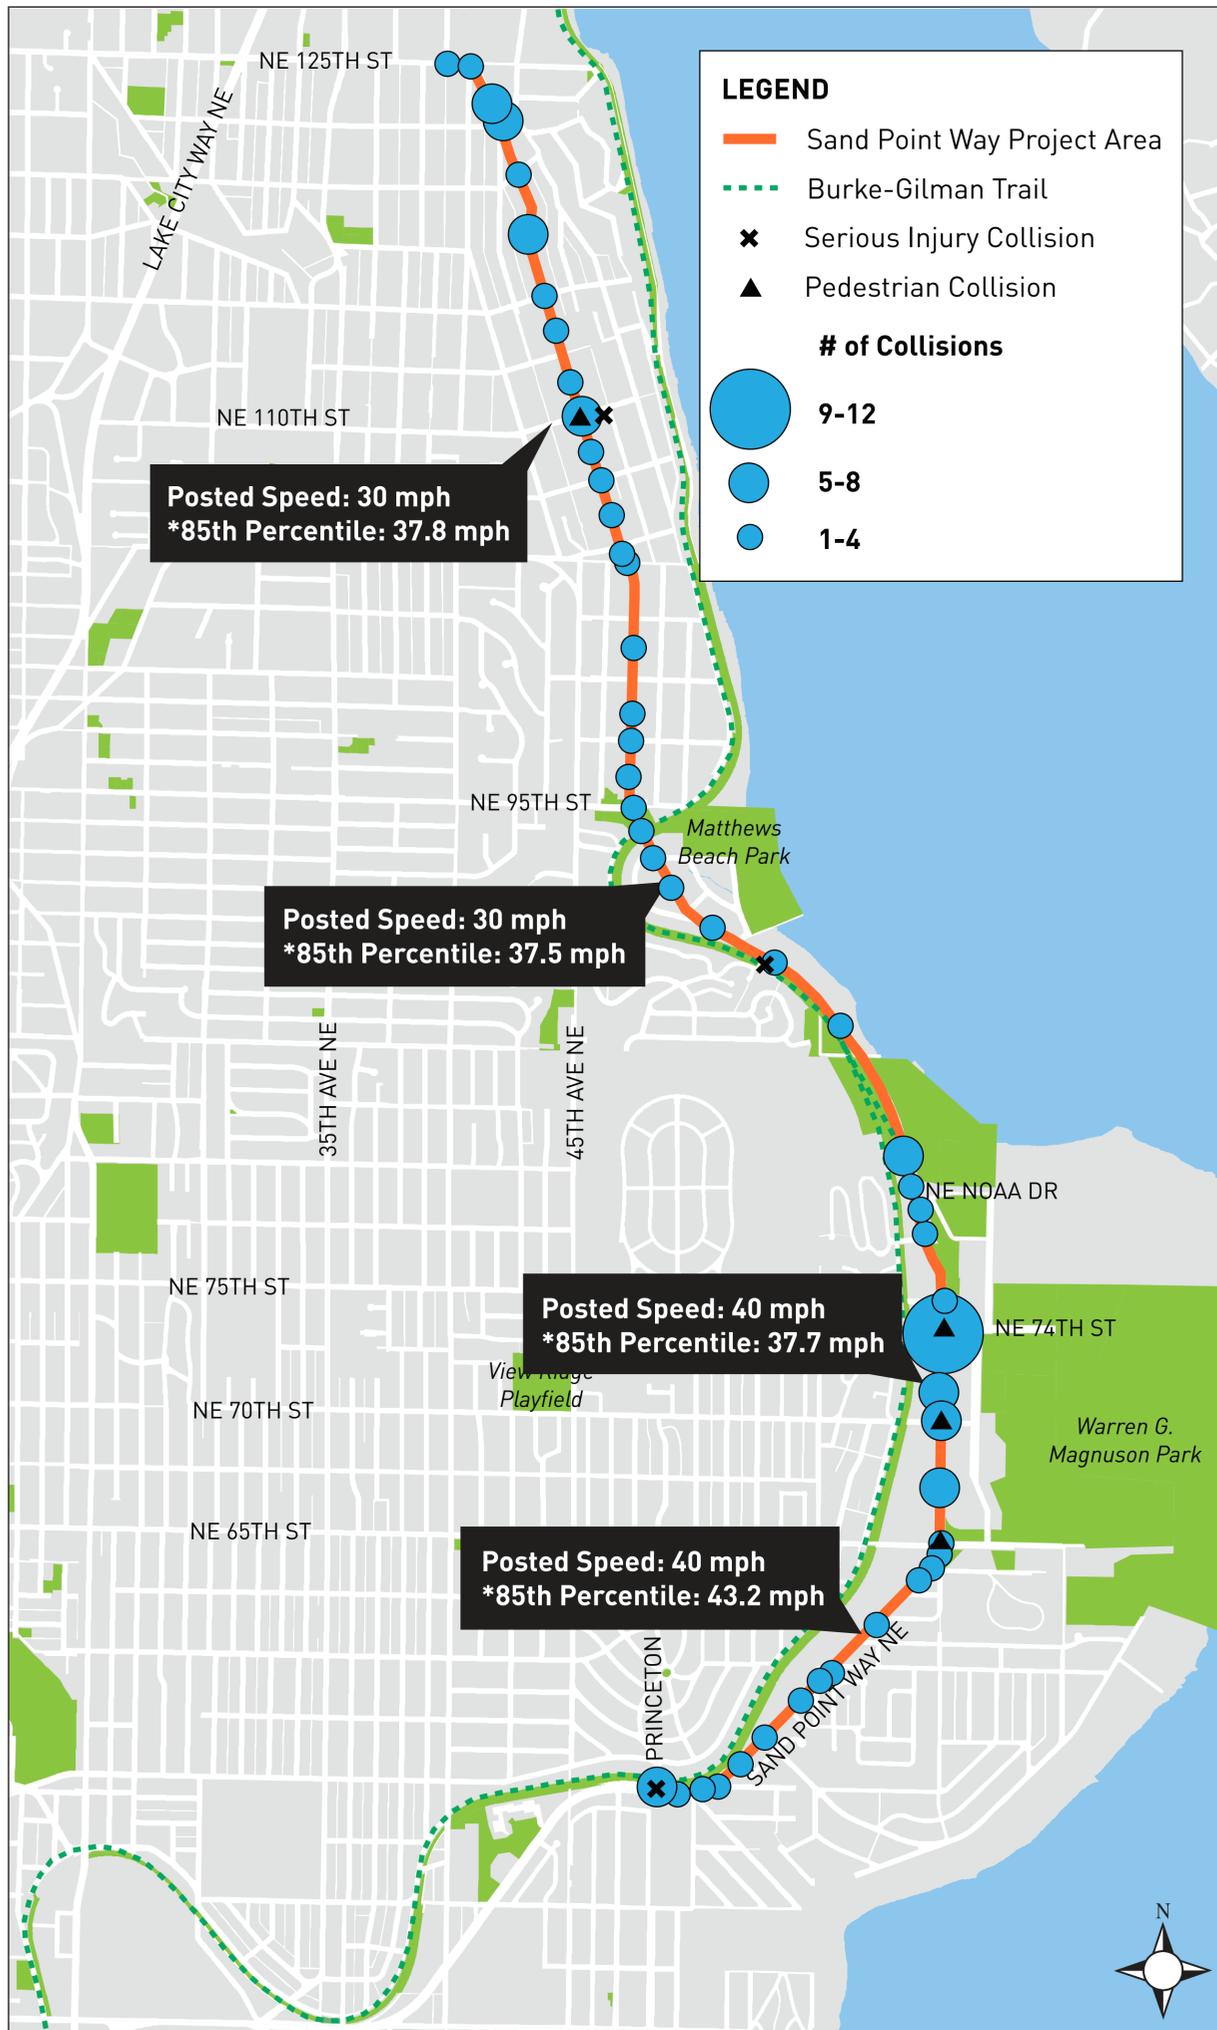

## TELL US WHAT YOU THINK

This is a collaborative process and we want to get feedback from the community about how we can improve travel on Sand Point Way NE. Please take our online survey at <http://bit.ly/SandPointWayVZSurvey>

# SAND POINT WAY NE CORRIDOR PROJECT

\*85th percentile: 85% of people are driving this speed or slower  
 Note: 16,000 vehicles travel Sand Point Way NE on an average weekday.

Since this is one of our Vision Zero corridors, we are working to address safety and better connections to parks, businesses, and homes. Vision Zero is our plan to eliminate traffic deaths and serious injuries on city streets by 2030.
