

CONSTRUCTION NOTICE

March 2018

Beacon Hill Path crossing improvements starting as early as Monday, March 11

PROJECT OVERVIEW

We will begin installing crossing improvements on the path at Beacon Ave S/S Morgan St as soon as Monday, March 11. Once we have completed the work at Beacon Ave S/S Morgan St, we will begin work at Beacon Ave S/S Warsaw St. This work is expected to last approximately 4-6 weeks and is weather dependent. To complete the work safely and efficiently, we will close S Morgan St between the northbound and southbound lanes of Beacon Ave S. We will follow the same process for work at S Warsaw St. We will also remove 3 trees: 1 at Beacon Ave S/S Morgan St and 2 at Beacon Ave S/S Warsaw St.

Thank you in advance for your patience during this work!

WHAT TO EXPECT

During this work, please expect:

- Temporary street closures at S Morgan St and S Warsaw St
- Temporary and intermittent traffic and lane restrictions and/or pedestrian detours; signage and flaggers to direct people around the work zone
- Equipment, materials, and noise near the project area
- "No Park" signs in work area 72 hours in advance of work
