

## Beacon Ave S crossing improvements starting as soon as Mid-March

### PROJECT OVERVIEW

Starting mid-March, we will make crossing improvements to several intersections throughout Seattle to improve safety and access for people walking, biking, and driving. We will repair and straighten portions of the Beacon Hill path. These improvements are part of Seattle’s Master Trails Plan. We will also repair pavement and add new curb ramps to enhance safety and accessibility for people walking and biking along the corridor and on the path.

### SCHEDULE

Construction is expected to start as early as mid-March and last approximately 8 - 10 weeks. Crews will generally work 7 AM to 5 PM, Monday through Friday. This work is weather dependent, and schedule is subject to change.

### WHAT TO EXPECT

We will minimize construction impacts as much as possible. During this work, please expect:

- Temporary and intermittent traffic and lane restrictions and/or pedestrian detours; signage and flaggers to direct people through the work zone
- Possible side street closures which will be communicated in advance
- Noise, vibrations, and dust during work hours
- Equipment and materials near the work area
- “No Park” signs placed in work area 72 hours in advance of work starting

Improvements at Beacon Ave S/S Warsaw St. Similar improvements are planned at Beacon Ave S/S Morgan St. Image not to scale.
