

Delridge Line

Construction starts soon

Road construction is starting on Delridge Way SW

We're starting construction as soon as June 8 along Delridge Way SW to prepare the street for the upcoming RapidRide H Line. The best way to be in the know about project benefits, detours, work hours, lane closures, and other improvements is by signing up to get our weekly construction updates.

Are you a property manager or HOA board member?

Please email us at delridgetransit@seattle.gov so we can coordinate closely with you as work approaches your home or building. We can help encourage residents to sign up for our construction updates at seattle.gov/transportation/delridgetransit.

Delridge community members can expect:

- One lane open in each direction on Delridge Way SW
- Shifting lanes and occasional detours and closure
- Large trucks, dust, noise, and vibrations
- Typical weekday work hours from 7 AM to 7 PM
- Road demolition and paving

**Sign up for construction updates at:
