

**City of Seattle
Public Utilities
Notice of Rule Revision**

Under the authority of the Seattle Municipal Code SMC 3.32.020 and 21.04.465, Seattle Public Utilities proposes to amend the following Director's Rule. We request the public's review and comments.

Proposed changes to Director's Rule FIN-220.2, Development Charges:

- Adjust charges based on review of prevailing actual costs.
- Add an additional service, meter exchange 2-inch to 2-inch high flow, and associated fee.
- Decouple water main extensions and improvements project administration and design review and approval fee, and establish unique fees for design review and approval based on type of permit under which work is performed.
- Incorporate the utility tax levied by the City of Burien (Burien Municipal Code 3.12.040), which increases the total price for water distribution services provided within the City of Burien.

Copies of the full text of the draft are available online at: www.seattle.gov/utilities/about/policies

Print copies available on request.
