*Seattle Certification and King County Designation includes:							
**Quarterly recycling rates may be less accurate than annual facility rate due to stockpiling.							
1) Solid Waste Permit from local Health Department				<b>Diversion:</b> Recycling and Beneficial Use (clean wood to pulp & paper mills to be used as boiler fuel)			
2) Compliance with local flow control requirements				<b>Landfill:</b> Direct disposal, Alternative Daily Cover (ADC), and disposed residuals from sorting			
3) Standardized monthly reports to Seattle and King County <u>do not include soils in diversion rate</u> starting Q4 2017							
4) Residual sampling to verify no more than 10% of targeted construction materials to landfill disposal
