

(Additional history on 18 hole + P.F. sheets)
 Site of 235 Ac. purch. from State by city: 1898
 A workhouse was developed in this area (in addition to the reservoirs.) Prisoners grubbed the area and built a greenhouse + nursery which was used until 1928.
 The Bowler's Club house originally was a Tool House used during the reservoir construction: taken over + developed by the first Golf Pro Joseph Jefferson from 1915-1944.
 The original Short 9 opened for play in 1922 but included areas used by the playfield, hospital and school: a driving range was south of the club house along Beacon Av. In 1941 the Short 9 was taken for an anti-aircraft emplacement + recreation center (present playfield).
 Present Short 9 opened 1955 designed by P.M. Masterson, Golf Director + C.M. Beardslay, L. Arch.

Named in 1908 to honor Thos. Jefferson
