

# Seattle City Light Qualified Products List

## Residential BPA Tier 3 Heat Pump Dryers

Latest additions, changes, or removals to the list are highlighted in gray.

Model numbers often contain wildcard characters, such as \*, #, and X, which are placeholders for non-energy attributes, such as color.

Models crossed out in red have been discontinued, but were qualified at the time of manufacturing and qualify for the rebate.

Qualifying heat pump dryer models must meet current BPA Tier 3 requirements and can be found [on their website](#).

### \$175 rebate on BPA Qualified Tier 3 Heat Pump Dryers
