IV. Community Police Commission Updates

- Co-Chair Updates
 - SPOG contract was approved 8-1 yesterday. Contract is an interim agreement, retroactive for 2021-2023. The CPC awaits the drafting of a contract that addresses the labor agreements for 2024 and 2025. The CPC has a 1-page sheet on website that details what is still missing, and what is needed to bring into compliance with ordinance requirements.
 - Comments from the community from 2023 event were reviewed.
 - The Seattle Channel has more community input on SPOG contract.
- Executive Director Updates
 - Announced that Deputy Director position is now live.
- Community Engagement Updates
 - Continuing to increase presence at various meetings/events in community. Community feedback is - be consistent in order to build trust.

- **Communications Advisor Updates**
 - Newsletter has been revived. Went out on 5/8, and the goal is to put them out on the Wednesdays following these meetings. Analytics of newsletter engagement shared.
 - Many media interviews came out yesterday, and more stories to come from other publications.
 - Invitation to contact Emma if you would like to see anything in the newsletter.
- **Policy Staff Updates**
 - None
- **Commissioner's Workgroup Updates**
 - Police Practices
 - Shared their goal to support the CPC in SPOG contract efforts.
 - Discussed overall strategic plan for the year.
 - Behavioral Health
 - Conversation about developing goals.
 - Shared feedback from small business owners about property crime and burnout.

IV. Presentation from OIG

- Lisa Judge, Inspector General for Public Safety
 - Presentation of workplan, whose creation is required by the Accountability Ordinance by 1/1 of the next year.
 - Q & A

V. Public Safety Committee

- Material update regarding SIR license plate reader software and hardware. Request for input from CPC.

VI. Executive Session

VII. Adjourn
