per [SMC 4.16.080](#) – Statements of financial interests

**City of Seattle Municipal Code**  
**Chapter 4.16 - CODE OF ETHICS**  
**4.16.080 - Statements of financial interests.**

Per Seattle Municipal Code 4.16.080, the Commission shall adopt by rule a list of the City officers and employees identified by name and position description who shall file a statement of financial interests with the Commission. The list may be amended by rule from time to time, and shall include: (a) every head of a City department and every division manager reporting directly to the head of a City department; (b) every Assistant City Attorney; (c) each Deputy Mayor and each other member of the Mayor's staff with authority to direct the expenditure of City resources; (d) the City Clerk, City Auditor, and every employee in the City Auditor's office who conducts or supervises the conduct of audits; (e) employees identified by department heads as having had decision-making authority over the preceding one (1) year period for (i) the purchase of goods or (ii) the purchase of equipment or (iii) the negotiation of contracts or (iv) the execution of contracts, the purchases or contracts having a total value of Five Thousand Dollars (\$5,000) or more; (f) each employee who supervises, directly or through others, an employee listed pursuant to subsection B1e of this section; and (g) every member of a City committee, City board, or City commission, that administers, interprets or executes City ordinances, whether a member is paid or unpaid. Each head of a City department shall identify the employees within that department fitting the categories in this subsection in accordance with procedures adopted by the Commission...

Each person listed or described on the then-current list of the Commission adopted under this section and each person taking on the duties or assuming the position of such a person (a reporting person) shall file a statement of financial interests ... after January 1st and before April 15th of each year. The statement shall be for the preceding calendar year...

Every member of a City committee, City board, or City commission, that administers, interprets, or executes City laws, whether a member is paid or unpaid, shall file with the Commission the information required in this section. In addition, every member of the Landmarks Preservation Board and every member of a special review district shall file with the Commission the information required in this section.
