Greetings all,

Please read the following updates below.

All DVP campaigns:

- The election is scheduled to be certified on November 25th. From that point, you can expect to have 45 days to close out your campaign.
- After paying all campaign debts and obligations, any remaining funds, up to the amount of Democracy Vouchers redeemed by the candidate, will be considered Unspent Democracy Voucher Proceeds. Such funds must be refunded to the Democracy Voucher Program.
- Feedback sessions will be scheduled starting next week. These sessions are voluntary, but any insights will help us improve the program for future cycles.

DVP campaigns still receiving voucher funds:

- You may still collect vouchers to pay off election-related costs. Vouchers must be received in our office by 11/28 to count. Please note, 11/28 is a holiday and our office will be closed. You may deliver scans to our email through 11/28. We will continue to process and redeem these vouchers as your campaign needs. However, all vouchers need to be turned in by person before noon on 11/26.
- If your campaign no longer needs voucher funding, let us know so that we can adjust our voucher processing.

Best,
DVP Team
