Hello DVP Candidates,

The election certified on November 25th and you now have 45 days to close out your campaign - January 9, 2026. As that day approaches, you may request an extension and will need to include the reasoning and the new close out date.

After paying all campaign debts and obligations, remaining funds are considered Unspent Democracy Voucher Proceeds. Such funds must be refunded to the Democracy Voucher Program.

Please mail checks to:

Democracy Voucher Program
PO Box 35196
Seattle, WA 98124-5196

At the end of each election cycle the Democracy Voucher Program reaches out to candidates and consultants to learn ways to improve the program. These are generally one-on-one, but you may invite anyone that has worked on your campaign into the same session.

If you are interested, please select all the times that work for you for each day, and we will do our best to prioritize your selections. You may fill out the poll [here](#) (please include your name at the end of the poll).

Let us know if you have any questions.

Warmly,
Democracy Voucher Program Team
