SECTION 4: CUSTOMER ACKNOWLEDGMENTS

I certify that all the information provide on this form is correct to the best of my knowledge. I understand that: (1) any false statements or misrepresentation made in this application are cause for denial, suspension, or revocation of the fire and life safety certificate; (2) the certificate issued to me remains the property of SFD and I agree to surrender the certificate upon demand of the Fire Chief or his/her authorized representative; (3) laws and standards governing the certificate for which I am applying periodically change and I am responsible for monitoring and complying with those changes; (4) it is the responsibility of certificate holders to keep their certificate up to date, and that it is a criminal law violation to perform any of the work regulated by Seattle Fire Department Administrative Rule 9.01 without first having a valid certificate.

\* Condition of Renewal I have read and understood the latest SFD Certification Study Information Packet (https://seattle.gov/fire/business-services/certification-testing#certificationstudypacket) within the last four weeks.

Affidavit for FA Series, AS Series, E Series, and SC Series Certificate Holders Only Regarding State Required Certifications: I hold a valid:

Table with 2 columns listing state required certifications: AS-2,3; E-4; FA; SC and AS-ITT; E-1,2,3.

I understand that it is my responsibility to maintain a current/valid certification of the type checked above, in addition to my SFD Certification, and that both of the Seattle certification and the State required certification are required to work on the relevant fire protection system in Seattle. (initials) You are required to attach a current copy of the State certification. Copy attached: Yes No

My signature indicates that I have read and understand the above.
