The letter will have information on verifying eligibility by submitting the required documents.

Eligibility and Coverage Information

Eligibility for Temporary Benefits-Eligible Employees

If you are a temporary benefits-eligible employee working full- or part-time (scheduled to work at least 80 hours per month), you are eligible to participate in selected benefits programs when you meet the eligibility requirements of your position:

- Term Limited Assignment – on your date of hire of your 1-3 year assignment
- One or More Interim/Short Term Assignments: after your short-term assignment of up to 1 year is in effect for 1,040 hours.

This is your “eligibility date.” **See page 4** for when your coverage begins.

The benefits you are eligible for are: the medical, dental, basic, basic life, basic LTD, and deferred compensation plans (see pages 1-2).

Eligible Family Members

The following family members are eligible to participate in the medical, dental, vision, supplemental life insurance, accident coverage, and EAP programs:

- Your spouse or domestic partner;
- Your birth or adopted children, or children placed for adoption;
- Children of your domestic partner;
- Stepchildren; or
- Any child for whom you are the legal guardian
- Any child for whom coverage is required by a Qualified Medical Child Support Order (healthcare plans only).

Child Eligibility

Please check the child eligibility requirements below. *, **

Plan	Age	Other
Medical, Dental, Vision	Up to age 26 (through age 25)	<p><u>Do not</u> have to be:</p> <ul style="list-style-type: none"> -single -living with you -dependent on you for support <p>May have access to other coverage.</p>

*If you enroll a dependent, Alight Solutions will send a letter to your home within 2-3 weeks requesting documents that confirm your dependents' eligibility. Additional information is [here](#).

**Coverage may continue for a handicapped/incapacitated child if the child becomes disabled prior to the limiting age and if proof of his or her fully handicapped/incapacitated status has been documented by a physician.

Eligibility and Coverage Information

When do I enroll?

You must submit your benefits enrollment forms within **30 days of your benefits eligibility date** (see prior page).

When does coverage begin?

Actual coverage in the plans in which you are enrolled will begin on either your eligibility date or the first day of the month following your eligibility date.

How do I enroll?

You have two options to enroll yourself and your eligible dependents:

- 1) through [Employee Self-Service](#), which is preferred
- 2) if you are unable to enroll in Employee Self-Service or do not have access to a computer, contact your Department's [Human Resources Representative](#) to request a Benefits Election Form to complete and return to them.

If you miss the deadline, you will be defaulted into certain benefits and ineligible for others. You must wait for the next Open Enrollment period to make changes.

If you do not enroll in basic life insurance when first eligible, you will be required to complete a *Medical History Statement* or *proof of good health* for the insurance carrier, and you are not guaranteed coverage as you are when first eligible.

You may decline coverage, but will not be eligible for premium pay in lieu of benefits as a result of declining coverage.

What if I miss the enrollment deadline?

If you fail to enroll within 30 days of becoming benefits-eligible, you will automatically be enrolled for dental and basic vision coverage. Your dental coverage will default to the Delta Dental of Washington plan.

Starting after January 2, 2018, if you are newly eligible for health coverage and don't actively elect or waive medical coverage, you will automatically be enrolled in the Aetna Traditional employee-only plan. This plan requires no premium contribution from you.

Waiving coverage

If you waive coverage and later become a regular employee, your next opportunity to enroll will be during Open Enrollment.

Eligibility and Coverage Information

Continuing Eligibility

To remain eligible for City paid benefits, you must have at least 80 hours of paid time during the calendar month. If the number of hours worked per month is less than 80 hours, benefits will be terminated, you will be responsible for any charges incurred.

How do I enroll my family members?

There are two opportunities to enroll family members:

- Open Enrollment
- Life Event or Family Status Change, for example:
 - Within 30 days of marriage, establishment of a domestic partnership, legal guardianship or a dependent losing coverage on another plan
 - Within 60 days of your child's birth or adoption event for health care coverage
 - Other examples of a Life Event or Family Status change can be found on Pages 6 and 7.

If you add a family member outside of Open Enrollment, you must complete a [Benefits Change Form](#) and submit it to your department's Benefits Representative. If you miss the enrollment deadline, you can enroll your family member(s) at the next open enrollment period, generally in the fall.

After you enroll a dependent, Alight Solutions, the City's business partner, will send a letter to your home within 2-3 weeks. The letter will request documents that confirm the eligibility of your dependents. Additional information about the dependent eligibility verification process is [here](#).

Visit <https://www.seattle.gov/human-resources/benefits> for more information. Call your department's [human resources or benefits representative](#) or the City's Benefits Unit at 206-615-1340 if you have questions.

Eligibility and Coverage Information

How do I disenroll my family members?

If you need to remove a family member from coverage outside of Open Enrollment, submit a completed Benefit Election Form to your department's [benefits representative](#).

If you end your spouse or domestic partner's coverage due to a legal separation, divorce, or termination of the domestic partnership, submit a completed Statement of Termination of Marriage/ Domestic Partnership form or a Notice of Termination of State Registered Domestic Partnership within 30 days of the legal separation, divorce or domestic partnership termination.

Changing Your Benefits

There are two opportunities to change your benefit choices:

- Open Enrollment
- Within 30 days of a qualifying change in family or job status

Open Enrollment

Open Enrollment is held once each year in the fall. You can change your benefits plans, add and drop family members, and add or drop coverages during this time. If you make changes during Open Enrollment, your new coverage is effective on January 1 of the new (next) plan year. Increases in your Life insurance coverage are subject to the approval of your *Medical History Statement* by the life insurance carrier.

Life Events/Family Status Changes that May Affect Your Benefits

You must enroll a new spouse or domestic partner within 30 days of your marriage or establishment of a domestic partnership. You have 60 days to add a child acquired through birth, adoption, or placement for adoption. *If you miss the deadline*, you can only add family members during the annual fall Open Enrollment period.

If you have a change in family status, you may be able to make a related change to your benefits. Here are several examples. Contact your department's benefits representative if any of the following occur:

- You adopt a child - you may add coverage for that child (you may add coverage for your other dependents at that time).
- Your child loses coverage under your spouse's coverage - you may add this child to your plan.
- You get married or form a domestic partnership - you may enroll your new spouse or domestic partner and his/her eligible children.
- Your spouse or domestic partner loses coverage due to termination of employment, change in employment status, or beginning an unpaid leave of absence – you may add your spouse or partner to the plan.

Eligibility and Coverage Information

When Coverage Ends

- Your spouse or domestic partner gains coverage due to start of employment, change in employment status, or ending an unpaid leave of absence—you may drop your spouse or partner from the plan.
- You get divorced, separate, or dissolve a domestic partnership – you must drop the spouse or domestic partner from the plan.
- Your child no longer meets the age requirements for medical/dental/vision – your child will be dropped from coverage.

Your medical/dental/vision, Basic Long-Term Disability, and Basic Life coverages end on the last day of the calendar month in which you:

- Are no longer eligible
- Resign, retire, or are terminated
- Stop making any required payment.

Continuing Coverage Under COBRA

To help you continue your health coverage, Congress passed the Consolidated Omnibus Reconciliation Act (COBRA) in 1986. Under COBRA, you are eligible to purchase medical only, dental/vision only, or medical/dental/vision coverage under certain circumstances when your group health plan coverage with the City ends.

If you are a City of Seattle employee and have City medical, dental and vision coverage, you and your covered family members have the right to elect COBRA continuation coverage for up to 18 months if your coverage is lost because of one of these qualifying events:

- Your employment ends for a reason other than gross misconduct
- Your work hours are reduced to the point where you no longer are eligible for benefits.

The 18-month COBRA continuation period may be extended to 29 months if you or a family member (who is a qualified beneficiary) is disabled according to Social Security at the time of one of the above qualifying events. This 11-month extension is available to all qualified beneficiaries who lose coverage due to termination of employment or a reduction of hours.

Covered family members have the right to choose COBRA continuation coverage for up to 36 months if coverage is lost for any of these qualifying events:

Eligibility and Coverage Information

- Death of the employee
- Divorce or legal separation of the employee and spouse or dissolution of the domestic partnership
- A child loses coverage (turns 26)

The Life and disability plans have conversion options.

Coverage through Health Insurance Exchange

As an alternative to COBRA, you may choose an individual medical plan through the health insurance exchange. Depending on your income and the number of dependents you cover, you may find a plan on the exchange that fits your coverage needs. More information at www.wahealthplanfinder.org.

Coverage through a City Retiree Plan

When you are eligible to retire, you will receive a packet of information about the City's retiree medical plans at your Retirement Office appointment. If you want to participate in a retiree medical plan instead of COBRA or a Health Insurance Exchange plan, be aware that you must choose a plan **at least 30 days before you retire**. In some cases, you can delay your enrollment in a City retiree medical plan if you are covered under another employer's plan. Contact the Benefits Unit at Benefits.Unit@seattle.gov for more information about the plans.

Paying for Benefits

Your Payroll Deductions

See page 27 for medical premiums

Medical, Dental, and Vision

If you elect medical coverage, the City of Seattle pays most of the premium for you and your eligible, enrolled family members. The amount you pay depends on which plan you select and whether you cover a spouse or domestic partner.

Medical premiums are deducted each month on a pre-tax basis. (Premium amounts paid for a domestic partner cannot be taken on a pre-tax basis if your partner is not a dependent on your IRS tax form.)

Your share of the cost for your medical premium is taken in equal amounts from the first and second paychecks of the month during the month of coverage on a pre-tax basis. For example, premium deductions taken from your March paychecks provide for March coverage.

The City fully pays the dental and basic vision plans for most employees.

Life Insurance

Your basic life insurance after-tax premium deductions are taken from your second paycheck of the month for the next month's coverage.

Benefits and Financial Planning

Because everyone's medical and financial situations are different, the City offers a variety of plans to help protect employees and their families from the financial hardship that unusual medical expenses can bring. The plans are designed to cover much of the cost of medically necessary health care services. However, employees still bear a portion of their medical service costs in the form of premiums, deductibles, copayments, and coinsurance.

Since health care costs may be unanticipated, it makes sense to plan and save for your out-of-pocket costs. If you can accurately anticipate some medical, dental and vision expenses for the following year – such as prescriptions, glasses, orthodontia, office visit copays and deductibles. Here are additional ways to cut costs and save money.

- Quit smoking and encourage your family to quit.
- Be more active and eat nutrient-dense food. Many diseases and conditions are preventable, and healthy behavior reduces your future health care costs and enhances your life now.
- Go to check-ups and screenings. Have regularly scheduled physical examinations by your doctor, dentist, eye doctor, and so on. Take advantage of free worksite flu shot clinics and attend virtual benefits fairs.
- Choose the best health plan for you and your family. There is more to selecting a good health plan *than just the payroll deduction*. If you are shopping for a health plan, compare the premiums, copayments, coinsurance and what is and is not covered by the various plans.
- Stay within the network. Look for doctors and healthcare providers within your plan's network.
- Review medical bills carefully. Billing errors can cost hundreds or even thousands of dollars. Contact the billing office if there is an error or you do not understand your bill. You may be able to negotiate fees and bills that you feel are too high.
- Enroll in Reach to support your physical, emotional, and financial well-being goals. Go to <http://cityofseattle.limeade.com/> and register. For access to Reach on the go, download the Limeade app and enter the City of Seattle code: seattle.

Medical Plan Options

Medical Plans

The City offers four different medical plans:

- Aetna Preventive Plan
- Aetna Traditional Plan
- Kaiser Permanente Standard Plan
- Kaiser Permanente Deductible Plan

How to Choose a Medical Plan

Plan features, coverages, and costs vary. The plans with Aetna offer a sizeable choice of doctors; coverage is higher if you use doctors in the Aetna network. The Kaiser Permanente plans require that you use their network of doctors, clinics, hospitals, and pharmacies but offer a higher level of coverage.

Plans offering higher coverage (Aetna Preventive and Kaiser Permanente Standard) have lower copays but higher monthly premiums. The Aetna Traditional Plan has a larger annual deductible and lower or no monthly premiums.

When making your decisions, you should consider cost, choice, and coverage. Here are some questions to ask yourself:

- Do you want a plan that allows you to choose any doctor, hospital, or clinic (Aetna plans), or are you willing to stay within a network (Kaiser Permanente plans) and receive a higher level of coverage?
- Would you prefer to pay higher monthly premiums to have a small annual deductible (Aetna Preventive Plan) or no annual deductible (Kaiser Permanente Standard Plan) and smaller copays?
- Would you rather pay lower or no monthly premiums and have higher coinsurance and deductibles (Kaiser Permanente Deductible and Aetna Traditional plans)?

The following very brief plan descriptions may help you make these choices.

New Temporary Benefits Eligible Employees: Remember - You have 30 days from your hire date to enroll in the medical, dental, vision and Group Term Life plans. If you decline coverage when eligible as a temporary employee and later become a regular employee, you will have to wait until Open Enrollment to enroll.

Medical Plan Options

Aetna	The City of Seattle has two plans with Aetna — the Preventive Plan and the Traditional Plan. The plans use the Aetna provider network, and Aetna administers the claims.
Preventive Plan	This plan has a \$100 annual deductible per person (\$300 per family) and a \$15 copay for all office visits except preventive care (which is covered at 100%). The deductible applies to most services except where a copay applies. Most other services are covered at 90% after a copay if you use an Aetna network provider.
Traditional Plan	This plan has a \$450 annual deductible per person (\$1,350 per family). Most services are covered at 80% if you use an Aetna network provider. Preventive care is now covered on this plan.
What If I Don't Use the Aetna Network?	If you choose a provider who is not in the network, you will pay a higher percentage of the visit cost. Non-network provider prices are often higher than network provider prices. If you use a non-network provider, you will pay 40% of the network service cost, and your doctor may charge you an additional amount above the network price.

Prescription Drug Retail Program

Aetna classifies medications into three tiers:

- Generic
- Preferred brand-name
- Non-preferred brand-name

Kaiser Permanente uses two classifications:

- Generic
- Preferred brand-name (no coverage for non-preferred brands)

Preventive and Traditional Plans (Aetna)

With the Aetna plans, you pay 30% of the actual cost for generic drugs, and 40% for preferred and non-preferred brand-name drugs, up to a maximum of \$100 per drug per month. There is a \$1,200 annual out-of-pocket maximum per member for retail and mail-order drugs.

The Aetna formulary name is *Aetna Standard Plans*. This formulary provides a list of drugs covered under your plan. You can search for specific drugs at: <https://www.aetna.com/individuals-families/find-a-medication.html>.

Present your medical plan ID card at any Aetna network retail pharmacy. Prescriptions filled at a non-network pharmacy will not be covered. You may contact the toll-free Member Services number on the back of your ID card to find a participating pharmacy or check the website [Aetna.com](https://www.aetna.com)

Kaiser Permanente Plans

You are responsible for a \$15 copay for generic drugs and a \$30 copay for brand-name drugs. All prescriptions must be filled at a Kaiser Permanente pharmacy. Prescriptions filled at any non-Kaiser Permanente pharmacy will not be covered.

The Kaiser Permanente formulary is the *Drug Formulary for Large Employers 1- or 2-Tier In-Network Pharmacy Benefit*. The formulary provides a list of drugs covered under your plan. You can search for specific drugs at [wa.kaiserpermanente.org/html/public/pharmacy/drug-formulary](https://www.kaiserpermanente.org/html/public/pharmacy/drug-formulary).

Dental Plan Options

There are two dental plans: Delta Dental of Washington (DDWA) and Dental Health Services (DHS).

Delta Dental of Washington

If you select DDWA, you can receive services from any dentist, but your out-of-pocket expenses may be lower if you choose a dentist who belongs to the DDWA network. To locate a DDWA network provider, search <https://www.deltadental.com/us/en/find-a-dentist.html>. For claim issues or appeals, please call **(206) 522-2300** or 1-800-554-1907.

Selecting an in-network DDWA dentist means:

- The portion of the dental bill you pay is smaller than if you use a non-network dentist.
- You do not need to submit a claim - the dentist's office will submit the claim form.
- After you pay your portion of the bill, you will not be balance-billed more for a covered service. *(A non-DDWA dentist may bill you for the portion of the bill that DDWA does not cover).*

Orthodontia

DDWA offers both child and adult (age 25 and over) coverage. Pre-treatment estimates are recommended. The orthodontia benefit is paid at a 50% level to a lifetime maximum of \$2,000. **NOTE:** for individuals who are already in treatment when joining the City's DDWA plan, DDWA will prorate claim payment(s) based on the original banding date and remaining balance. The dental office needs to contact DDWA customer service for patient-specific details.

ID Cards

You will receive your DDWA ID card about 2 weeks following your dental plan selection. However, a card is not needed to access care – simply let your provider know you are covered under a City of Seattle plan, and they will ask you some information to identify you and confirm your benefits and eligibility. You can also set up your online account or Go Mobile at <https://www.deltadentalwa.com/>.

Dental Plan Options

Dental Health Services	<p>If you select DHS, you can only receive services from an in-network dentist or dental practice – there is no out-of-network benefit available. In some instances, the DHS plan may provide a more significant benefit for services received than DDWA. The list of in-network dentists and clinics is much smaller than DDWA, and you must see an in-network, DHS-participating dentist or clinic for services to be covered.</p> <p>Selecting a DHS dentist means:</p> <ul style="list-style-type: none"> • There are no deductibles and no annual maximums • There are no incentive-level services <p>To begin, visit: https://www.dentalhealthservices.com/ and click "Plan Members" – from here, you will be able to:</p> <ul style="list-style-type: none"> • Search for a DHS dentist/clinic and to set up your online account. • If you provided a personal email to the City during your onboarding, that address is on file with DHS and should be used on the Register Member screen when setting up your account. <p>If your personal email wasn't provided or didn't work on the Register Member screen, contact DHS directly at 206-788-3444 to request your Member Number.</p>
Accessing Care (Notify DHS once you've selected your care provider)	<p>This plan has an office visit copay of \$10 for all covered members, and there are also co-pays for selected services. The plan comparison on the following page lists services and copay requirements.</p>
Payment of Basic Services	<p>DHS offers both child and adult (age 25 and over) orthodontia. Coverage includes a copayment of \$1,800 per adult or \$1,000 per child; a \$150 charge for the initial exam, study models, and x-rays; and a \$10 copay for each visit during the course of ortho treatment. NOTE: There is no transition of care for members who are already in treatment when joining the City's DHS plan. The orthodontia benefit is available for <u>new patients only</u>.</p>

Optional Insurance Plans

Basic Long-Term Disability Insurance

The basic benefits package provided by the City includes a Long-Term Disability (LTD) policy that will pay you a portion of your monthly pay if you are sick or injured and cannot work. If you are disabled according to the plan definition, the benefit will combine with other income sources, if any, to pay you up to \$400 per month after a 90-day waiting period while you are unable to perform with reasonable continuity the material duties of your own occupation (first 24 months) or any occupation (after 24 months).

Benefit Amount

You do not need to enroll in this plan, you are automatically enrolled as a temporary employee with benefits.

	Basic LTD
Percentage of monthly pre-disability earnings	60%
Maximum monthly benefit	\$400
Minimum monthly benefit	\$100

If a claim for LTD benefits is approved by The Hartford, benefits become payable ***after*** the benefit waiting period. The benefit waiting period is the specified number of days you must remain continuously disabled. Benefits are not payable during the waiting period.

When am I Considered Disabled

During the Benefit Waiting Period (see below), you are considered disabled if, because of a physical disease, injury, pregnancy or mental disorder, you are unable to perform with reasonable continuity the material duties of your Own Occupation.

Waiting Period

Benefit Waiting Period: The Benefit waiting period for Basic LTD is 90 days. See the [Certificate of Coverage](#) for more detailed information.

Limitations

Maximum Benefit Period: If you become disabled before age 62, LTD benefits may continue during disability until age 65 or until Social Securing Normal Retirement Age (SSNRA) or 3 years 6 months, whichever is longer. Otherwise, the maximum benefit period for the Basic LTD is in the chart on the following page, age-graded to the Social Security Normal Retirement Age (SSNRA).

Optional Insurance – Long-Term Disability

Benefit Amount

Your monthly LTD benefit is a percentage of your insured monthly pre-disability earnings less any deductible income (i.e., City paid sick time, Social Security, Worker’s Compensation, etc.).

	Basic LTD
Percentage of monthly pre-disability earnings	60%
Maximum monthly benefit	\$400
Minimum monthly benefit	\$100

Below is the basic LTD benefit.

	Basic LTD
Enter monthly earnings	(1) \$667 <i>Note: if monthly earnings exceed \$67, enter \$667 above</i>
Percentage of earnings	(2) 60%
Multiply amount on Line 1 by percentage on Line 2 – this is your monthly LTD benefit	$\$667 \times 60\% = \400

The Basic LTD plan premium is paid by the City.

Note: since premiums for Basic LTD are paid by the City, paid LTD benefits are partially tax-free.

If a claim for LTD benefits is approved by The Hartford, benefits become payable **after** the benefit waiting period. The benefit waiting period is the specified number of days you must remain continuously disabled. Benefits are not payable during the waiting period.

When am I Considered Disabled?

During the Benefit Waiting Period (see below), you are considered disabled if, as a result of a physical disease, injury, pregnancy or mental disorder, you are unable to perform with reasonable continuity the material duties of your Own Occupation.

Optional Insurance – Long-Term Disability

Waiting Period

Age at Time of Disability	Maximum Benefit Period
62	To SSNRA or 48 months, if greater
63	To SSNRA or 42 months, if greater
64	36 months
65	30 months
66	27 months
67	24 months
68	21 months
69 or older at time of disability	18 months

Limitations

A disability that results from a pre-existing condition for which you receive medical treatment 3 months prior to your coverage effective date will not be covered unless you have been insured for 12 months. The pre-existing condition limitation applies if you elect coverage now or during a future Open Enrollment.

LTD benefits are not payable unless you are under the care of a physician. See the [Certificate of Coverage](#) for additional limitations.

When Benefits End

LTD Benefits end automatically on the earliest of:

- The date you are no longer disabled
- The date your maximum benefit period ends
- The date you die
- The date benefits become payable under any other LTD disability insurance plan under which you become insured through employment during a period of temporary recovery

Optional Insurance – Group Term Life

Group Term Life (GTL) Insurance

The City provides one level of optional Term Life Insurance to temporary employees who are eligible for benefits. The City and you pay for Basic Life Insurance. You can sign up for Group Term Life Insurance within 30 days of becoming benefits eligible, or during an OpenEnrollment period. For more information, see the [Certificate of Insurance](#).

Basic Life Insurance

This optional coverage provides you with two options of Term Life Insurance benefit amounts. The first option equals one-and-a-half times your annual salary, and the second option is a flat \$50,000. The City contributes 40% of the cost, and you pay the remaining 60% of the cost. Within the coverage amount guidelines shown below, you select the option of basic Life insurance you are interested in applying. A table with information regarding the monthly cost of Basic Term Life Insurance follows.

	Minimum	Maximum
Option A	1.5 times your annual salary, rounded to the next higher multiple of \$1,000, if not already a multiple of \$1,000	\$2,500,000
Option B	\$50,000	\$50,000

* IRS rules state that the value of Basic Life Insurance over \$50,000, which is paid for by the City, is taxable. You may limit your Basic Term Life Insurance coverage amount to \$50,000 to avoid the additional taxes. The amount on which you pay taxes will be shown on your second paycheck each month.

If you sign up for Basic Term Life Insurance as a new employee, you are guaranteed coverage up to \$1,000,000 when combined with supplemental life insurance. However, if you sign up for it later during an Open Enrollment period, you will be required to complete and submit an online [Evidence of Insurability](#) form (medical history statement) within 90 days of the end of the enrollment period. See the online submittal instructions [here](#). Securian Financial must approve it before your life insurance takes effect.

If you have a qualified Family Status change during the year, you may newly elect or increase your basic group term life insurance 1.5 times your annual salary to \$50,000 without Evidence of Insurability. Any amount over \$50,000 would require EOI.

Optional Insurance – Group Term Life

Coverage Amount Needed

Find the life insurance amount that's right for you and your family. Choosing the right insurance coverage can be overwhelming. Use Securian Financial's online benefits decision tool, Benefit Scout, to help you and your family make your insurance elections confidently. Get started by going to Lifebenefits.com/Seattle.

How Much Will Coverage Cost?

Your coverage amount equals your annual salary, rounded up to the next \$1,000 increment, multiplied by 1.5. Your monthly premium equals \$0.045 times each \$1,000 of coverage.

To calculate your basic Life insurance, use the following table:

1. Annual Salary = Line 1	Line 1: _____
2. Round Up Line 1 to nearest \$1,000 = Line 2	Line 2: _____
3. Multiply Line 2 by 1.5 = Line 3	Coverage Amount Line 3: _____
4. Divide Line 3 by \$1,000 = Line 4	Line 4: _____
5. Multiply Line 4 by the plan rate of 0.045 = Line 5	Monthly Premium Line 5: _____

For example, if your annual salary is \$78,600 per year, round it up to \$79,000. To determine your coverage amount, multiply \$79,000 by 1.5 = \$118,500. \$118,500 is your coverage amount. Divide your coverage amount by \$1,000 ($\$118,500 / \$1,000 = 118.50$). Multiply 118.50 by the plan rate of 0.045 ($118.50 \times 0.045 = \$5.33$) Your premium is \$5.33 per month.

Vacation

You earn vacation based on the number of hours (non-overtime) you are paid each pay period. Vacation hours are accumulated on a maximum of 80 hours per pay period. (See the vacation accrual chart below*.) Approximately 2,088 hours of regular pay status equal one year of full-time employment. Your vacation accrual rate is 12 days per year for your first four years of service. The accrual rate gradually increases to 23 days per year after 14 years of service, with an additional day per year of service after 19 years to a maximum of 30 days.

You can accumulate two times your annual vacation without penalty. The amount of vacation you have earned and not used is shown on your biweekly paycheck. You may also view this information on [Employee Self-Service](#).

Follow your department’s protocol for requesting and taking a vacation.

Your unused vacation balance will be cashed out when you leave City employment unless your union has elected to participate in VEBA or you are eligible to defer your vacation leave into Deferred Compensation. Check with your HR representative.

Sick leave is a program that pays your wages if you must be absent from work because of your own medical appointments, personal illness, injury, or disability, which makes you temporarily unable to perform your job or when you are absent because of medical appointments, illness, injury or disability of your spouse or domestic partner, parent, grandparent, sibling, grandchild or dependent child. You may also request sick leave for the non-medical care of a newborn or child recently placed for adoption, foster care or legal guardianship, closure of your worksite or your child's school or place of care by a public health official, and for reasons related to domestic violence, sexual assault or stalking. You are eligible to use available sick leave hours after 30 days of employment.

Full-time employees accumulate 12 days or 96 hours of sick leave per calendar year, at the rate of .046 hours per hour on regular pay status. If you are absent more than four consecutive workdays, you must submit medical documentation to verify your absence. You may also need to provide return to work certification. When you retire through the City of Seattle Retirement System you are eligible to receive a cash equivalent of 25 percent of unused sick leave hours, unless your union has elected to participate in VEBA or you are eligible to defer your sick leave into Deferred Compensation. Check with your HR representative.
