

Your Accolade Care Team is here for you in the moments that matter

Searching for a new doctor

Your Care Advocate can help you find a high-quality, in-network doctor that meets your needs and personal preferences.

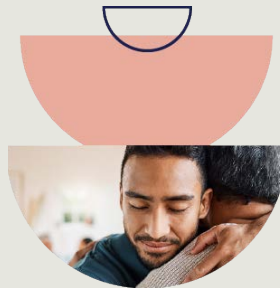

Experiencing symptoms*

Our compassionate nurses are available 24/7 to help you understand your symptoms and explore options for care.

Facing a new diagnosis

We'll help you learn more about your condition, find the right specialists and connect to valuable resources and care programs.

Managing an ongoing condition

Learn about effective health programs that can make it easier to manage ongoing conditions at little or no cost to you.

"In a moment of need, my Accolade representative patiently listened to me and helped me find the provider I needed. Healthcare is so overwhelming so it's great to have someone that helps you navigate."

- an Accolade member

*CALL 911 IF YOU ARE HAVING A MEDICAL EMERGENCY. Accolade and its affiliates ("Accolade") are not an emergency medical service. Accolade provides a personalized healthcare information service to support you to better understand and utilize your benefits, receive information from expert medical resources, and facilitate your access to medical care from various healthcare professionals, including virtual medical care services. Virtual medical care services offered by Accolade are provided through independent professional medical practices, including under the Accolade Care brand, to which Accolade provides various platform and related services.
