Stephanie, RN
Care Team Specialist

How it Works: 3 Simple Steps

1. Activate Your Account And Request A Consult

Call us at <phone>, Visit us at [<url>](http://www.2nd.MD/)
Or download our 2nd.MD app

2. Speak With A Nurse

Explain your medical issues, and an experienced nurse will handle the rest, including collecting medical records and connecting you with a leading specialist who is an expert in your condition.

3. Consult With A Specialist

Get information about your diagnosis, treatment plan and next steps in care from a top specialist.
Consult via video or phone at a time that works best for you, including evenings and weekends!

What Kind Of Conditions Does 2nd.MD Help With?

2nd.MD experts are industry leaders across hundreds of subspecialties and thousands of conditions including cancer, heart disease and stroke, digestive problems, immunological disorders, women's health, mental health concerns and musculoskeletal issues.

See how one member learned how to manage her chronic condition.

After Your Consultation

You'll receive a written summary of your consult so you're prepared for a conversation with your treating physician or we can refer you to a local specialist.
