With the appointing authority's approval, an employee may take sick leave under this Article to supplement a reduced work schedule, provided that the work schedule must be stable and predictable. Sick leave taken for the non-medical care of a dependent child must begin and end by the first anniversary of the child's adoption.

- 13.6 An appointing authority, or designated management representative, may approve sick leave payment for an employee as long as the employee:
- a) Makes prompt notification;
  - b) Claims use of sick leave time using the appropriate method(s);
  - c) Limits claims to the actual amount of time lost due to illness or disability or for the reasons described in Sections 13.3, 13.4 and 13.5;
  - d) Obtains such medical treatment as is necessary to hasten his or her return to work; and
  - e) Provides medical certification of the job-related need for sick leave for absences of more than four (4) days. Medical certification should only include the information that the appointing authority, or designated management representative, needs to authenticate the employee's need for sick leave.
- 13.7 Sick leave pay may be denied, with justification, and/or medical certification may be required, for employees who are absent repeatedly or whose absences precede or follow regular days off or follow some other pattern without reason, or who abuse sick leave, or who obtain, attempt to obtain or use sick leave fraudulently, or whose absences are the result of misconduct during working hours. Abuse of sick leave shall be subject to the provisions of Article 13 of this Agreement.
- 13.8 Employees are not eligible to receive paid sick leave when on leave without pay, when laid off, or otherwise not on regular pay status. If an employee is injured or becomes ill while on paid vacation or compensatory time off, the employee shall provide a statement from his or her health care provider or other acceptable proof of illness or disability for the time involved substantiating the request for sick leave use in lieu of vacation or compensatory time off.
- 13.9 Return-to-Work Verification – An employee returning to work after an absence requiring sick leave may be required to provide certification from his or her health care provider that the employee is able to perform the essential functions of the job with or without accommodation.
- 13.10 An employee who takes sick leave for a family and medical leave-qualifying condition shall comply with the notification, certification and release protocols of the Family and Medical Leave Program. His or her properly certified absence shall be accorded the protections of family and medical leave as long as it is for a condition that qualifies for both family and medical leave and sick leave.

- 13.11 An employee who is re-employed following separation from City employment shall have any unused sick leave balance from his or her prior period of employment restored unless the separation was due to resignation, quit or discharge.
- 13.12 An employee who was eligible for sick leave accumulation and use under this Article prior to appointment to a regular (non-temporary) position not covered under the sick leave plan, shall have his or her former unused sick leave credits restored upon return to a position that is covered under the sick leave plan.
- 13.13 An employee who has been granted a sabbatical leave may elect to take a lump sum cash-out of any or all of his or her unused sick leave balance in excess of two hundred and forty (240) hours at the rate of one (1) hour's pay for every four (4) hours of accumulated and unused sick leave. The employee forfeits all four (4) hours exchanged for each one (1) hour of pay. The employee must exercise this option at the beginning of his or her sabbatical leave.
- 13.14 Sick leave that is cashed out is paid at the rate of pay in effect for the employee's primary job classification or title at the time of the cash-out.
- 13.15 All employees who are included in the City's sick leave plan are eligible to participate as a recipient or donor in the Sick Leave Transfer Program, if the affected employee meets the eligibility conditions specified in Personnel Rule 7.7.5.
- 13.16 An employee may, with supervisory approval, participate as a non-compensated donor in a City-sponsored blood drive without deduction of pay or paid leave. Such participation may not exceed three (3) hours per occurrence for travel, actual donation and reasonable recuperation time. In order to qualify for time off under this Article, the employee must provide his or her name and department to the blood bank representative for verification of his or her participation by the appointing authority.
- 13.17 VEBA Benefit – Upon retirement, thirty-five percent (35%) of an employee's unused sick leave credit accumulation shall be transferred to a VEBA account (as described below) to be used according to Internal Revenue Service (IRS) regulations on the day prior to their retirement. Upon the death of an employee, either by accident or natural causes, twenty-five percent (25%) of such employee's accumulated sick leave credits shall be paid to their designated beneficiary. However, if an employee is eligible for retirement and chooses to vest their funds with the Retirement System at the time they leave City Employment, they will lose all sick leave credit and not be eligible to receive the twenty-five percent (25%) cash out.

Employees who are eligible to retire shall participate in a vote administered by the Union to determine if the Voluntary Employee Benefits Association (VEBA) benefit shall be offered to employees who elect to retire. The VEBA benefit allows employees who are eligible to retire from City Service to cash out their unused sick leave balance upon retirement and place it in a VEBA account to be used for post-retirement healthcare costs as allowed under IRS regulations.

Eligibility-to-Retire Requirements:

- A. 5 – 9 years of service and are age 62 or older
- B. 10 – 19 years of service and are age 57 or older
- C. 20 – 29 years of service and are age 52 or older
- D. 30 years of service and are any age

For purposes of identifying all potential eligible-to-retain employees, the City shall create a list of members who are in the City's HRIS system at age 45 or older and provide this list to the Union so that the Union can administer the vote.

If the eligible-to-retain members of the bargaining unit vote to accept the VEBA, then all members of the bargaining unit who retire from City service shall either:

- A. Place their sick leave cash out at 35% into their VEBA account, or
- B. Forfeit the sick leave cash out altogether. There is no minimum threshold for the sick leave cash out.

Members are not eligible to deposit their sick leave cash out into their deferred compensation account or receive cash.

If the eligible-to-retain members of the bargaining unit vote to reject the VEBA, all members of the bargaining unit who retire from City service shall be ineligible to place their sick leave cash out into a VEBA account. Instead, these members shall have two choices:

- A. Members can cash out their sick leave balance at 35% and deposit those dollars into their deferred compensation account. The annual limits for the deferred compensation contributions as set by the IRS would apply; or
- B. Members can cash out their sick leave balance at 25% and receive the dollars as cash on their final paycheck.

13.18 Sabbatical Leave and VEBA – Members of a bargaining unit that votes to accept the VEBA and who meet the eligible-to-retain criteria are not eligible to cash out their sick leave at 25% as a part of their sabbatical benefit. Members who do not meet the eligible-to-retain criteria may cash out their sick leave at 25% in accordance with the sabbatical benefit.

13.19 Industrial Injury or Illness

- a) Any employee who is disabled in the discharge of their duties, and if such disablement results in absence from their regular duties, shall be compensated, except as otherwise hereinafter provided, in the amount of eighty percent (80%) of the employee's normal hourly rate of pay, not to exceed two hundred and sixty one (261) regularly scheduled workdays counted from the first regularly scheduled workday after the day of the on-the-job injury; provided, the disability sustained must qualify the employee for benefits under State Industrial Insurance and Medical Aid Acts.
- b) Whenever an employee is injured on the job and compelled to seek immediate medical treatment, the employee shall be compensated in full for the remaining part of the day of injury without effect to their sick leave or vacation account. Scheduled workdays falling within only the first three (3) calendar days following the day of injury shall be compensable through accrued sick leave. Any earned vacation may be used in a like manner after sick leave is exhausted, provided that, if neither accrued sick leave nor accrued vacation is available, the employee shall be placed on no pay status for these three (3) days. If the period of disability extends beyond fourteen (14) calendar days, then (1) any accrued sick leave or vacation leave utilized that results in absence from their regular duties (up to a maximum of eighty percent [80%] of the employee's normal hourly rate of pay per day) shall be reinstated by Industrial Insurance or (2) if no sick leave or vacation leave was available to the employee at that time, then the employee shall thereafter be compensated for the three (3) calendar days at the eighty percent (80%) compensation rate described in Section 13.21a.
- c) In no circumstances will the amount paid under these provisions exceed an employee's gross pay minus mandatory deductions. This provision shall become effective when SMC 4.44, Disability Compensation, is revised to incorporate this limit.

- d) Employees must meet the standards listed in SMC 4.44.020 to be eligible for the benefit amount provided herein, which exceeds the rate required to be paid by state law, hereinafter referred to as supplemental benefits. These standards require that employees: (1) comply with all Department of Labor and Industries rules and regulations and related City of Seattle and employing department policies and procedures; (2) respond, be available for, and attend medical appointments and treatments and meetings related to rehabilitation, and work hardening, conditioning or other treatment arranged by the City and authorized by the attending physician; (3) accept modified or alternative duty assigned by supervisors when released to perform such duty by the attending physician; (4) attend all meetings scheduled by the City of Seattle Workers' Compensation unit or employing department concerning the employee's status or claim when properly notified at least five (5) working days in advance of such meeting, unless other medical treatment conflicts with the meeting and the employee provides twenty-four (24) hours' notice of such meeting or examination.
- e) The City will provide a copy of the eligibility requirements to employees when they file a workers' compensation claim. If records indicate two (2) no-shows, supplemental benefits may be terminated no sooner than seven (7) days after notification to the employee. The City's action is subject to the grievance procedure.
- f) Such compensation shall be authorized by the Seattle Human Resources Director or their designee with the advice of the employee's appointing authority on request from the employee, supported by satisfactory evidence of medical treatment of the illness or injury giving rise to the employee's claim for compensation under SMC 4.44, as now or hereinafter amended.
- g) Compensation for holidays and earned vacation falling within a period of absence due to such disability shall be at the normal rate of pay but such days shall not be considered as regularly scheduled workdays as applied to the time limitations set forth within Section 13.21a. Disabled employees affected by the provisions of SMC 4.44 shall continue to accrue vacation and sick leave as though actively employed during the period set forth within Section 13.21a).
- h) Any employee eligible for the benefits provided by SMC 4.44.020 whose disability prevents them from performing their regular duties but, in the judgment of their physician could perform duties of a less strenuous nature, shall be employed at their normal rate of pay in such other suitable duties as the appointing authority shall direct, with the approval of such employee's physician, until the Seattle Human Resources Director requests closure of such employee's claim pursuant to SMC 4.44, as now or hereinafter amended.

- i) Sick leave shall not be used for any disability herein described except as allowed in Section 13.21b.
- j) The afore-referenced disability compensation shall be understood to be in lieu of State Industrial Insurance Compensation and Medical Aid.

Appeals of any denials under this Article shall be made through the Department of Labor and Industries as prescribed in Title 51 RCW.
