

These definitions will serve as a guidance when completing this form. Further documentation can be requested for eligibility purposes.

Advertising: Any expenses that are associated in bringing clients into your business. Examples are: business cards, flyers, and marketing costs.

Business Travel Expenses: Any expenses that involve travelling for the main purpose of your business only. Examples are hotel expenses, meals, car rentals and mileage reimbursements.

Business Insurance: Insurance that is needed to rent space for your business; this does not include property insurance, or a private mortgage.

Legal and Professional Fees: Fees that are ordinary and necessary expenses directly related to operating your business. Examples are accounting fees, bookkeeping, subscriptions, membership fees, trainings/workshops. This does not include violation/penalty fees, internet access, PayPal.

Office Supplies and Postage: Office Supplies are the tangible, traditional office items. Examples: paper, envelopes, other office supplies, laptops, furniture, stamps, equipment rentals. Postage includes stamps.

Rent: Equipment rented, building/space rented. Example – Uber driver with lease payments on a rental car. For business property only NOT home property.

Utilities and Telephone: Business property utility fees, business cell phones, landlines. For business property only NOT home property.

Cost of Goods: Direct costs attributable to the production of goods sold by a company. The cost of materials used in creating the goods along with direct labor costs used to produce the goods. Example – bread maker vs delivery driver.

DECLARATION OF SELF EMPLOYMENT

Complete this form if you are self-employed, a registered agent of a company/non-profit, work for cash, or have income from land/property. Please indicate income for the past three months. If the income is derived from a business, trade, profession, non-profit or church. List the gross amount before any deductions in boxes 'A' through 'C' for the corresponding months. This includes church donations, payments, benefits, or expenses paid for on behalf of the company/non-profit.
