Relevant Guidelines:

Guideline Title	Comment
<p><u><a href="#">1. Park Service Preservation Briefs</a></u> <u><a href="#">#11 Rehabilitating Historic Storefronts</a></u></p>	<p>Applicant reports that doorway is needed to allow better accessibility to the space, which is currently only accessible by stair from interior lobby.</p> <p>The proposal would result in an asymmetrical entry way.</p>
<p><u>6. Street Level Facade Proportions</u></p>	<p>The proposal would maintain a high level of voids, full width glazing, and incorporates transom windows as indicated in this guideline.</p>
