Colors:

- Board Stain: Tung Oil
- Lettering: "Silent C Black" - Miller Paint

The Ballard Cut

Dimensions are identical to the previous one. Simply mirrored on the other side of the building.

wrought iron
triangular
brackets

36 inches
x
36 inches

The sign will
add another
18 inches
which
provides 90
inches of
clearance to
the ground.

We will be using 4 inch SDS Galvanized Steel Lag Screws to affix the signs to the building. In total there will be 8 holes from attaching the signs; 4 on each side of the building.
