NOTE:
 Neighborhood Commercial 2
 NC2
 A moderately-sized pedestrian-oriented shopping area that provides a full range of retail sales and services to the surrounding neighborhood, such as medium-sized grocery stores, drug stores, coffee shops, customer service offices, or medical/dental facilities. Building types are single-purpose commercial structures, multi-story mixed use and residential structures. Non residential uses typically occupy the street front. 25,000 SF is the maximum size for some commercial uses.
