Staff Report -

Board Members Please Note: The citations from the District Ordinance, International Special Review District Design Guidelines, and Secretary of the Interior's Standards listed below are for your consideration in addition to any other citations you find relevant in considering each application.

Address: Right-of-Way at 401 S. Jackson St. – Union Station Plaza

Record #: DONH-COA-2045

Applicant Representatives: Victoria Jones– Connors and Company Events, Inc

Design, Signs and site alterations: Proposed temporary signage, wayfinding and siting of an 8' x 10' container "Safety Pod" and decorative scrim, during the FIFA World Cup 2026, from May 1 to July 10.

DRAFT MOTION

I move that the International Special Review District Board recommend approval of a Certificate of Approval for Design of temporary signs, wayfinding and installation of a 8'x10' container and decorative scrim to be installed on Union Station Plaza, per the submitted application materials.

The Board directs staff to prepare a written recommendation of approval, based on considering the application submittal and Board discussion at the April 14, 2026 public meeting, and forward this written recommendation to the Department of Neighborhoods Director.

This action is based on the **following applicable sections of the International Special Review District Ordinance and relevant Standards:**

Seattle Municipal Code (SMC)

SMC 23.66.030 – Certificates of Approval – application, review and appeals

SMC 23.66.338 – Signs

Secretary of the Interior's Standards for Rehabilitation

9. New additions, exterior alterations, or related new construction shall not destroy historic materials that characterize the property. The new work shall be differentiated from the old and shall be

compatible with the massing, size, scale, and architectural features to protect the historic integrity of the property and its environment.

10. New additions and adjacent or related new construction shall be undertaken in such a manner that if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.
