

COMMUNITY VOICE, CID'S FUTURE

THE CID VISIONING ADVISORY GROUP
10 YEAR NEIGHBORHOOD PLAN

Headwater People

HEADWATER PEOPLE

Headwater People is a body of practitioners guided by traditional communities for the sake of doing uncommon work for the common good. We utilize design principles and values for system change that have been continuously practiced for countless generations and are often in contrast to colonial and imperial worldviews, to benefit the entire community.

Our offerings include change management consulting, strategic planning, program evaluation and more.

Background on CID Visioning Advisory Group

- 2018 - Community withdrew from City processes
- 2019 - Independent Coalition developed with funding from City
- 2022 - Released a 10 Year Neighborhood Plan
- 2023 - Developed Action Steps for Implementation
- 2024 and Beyond- Finalize Plan & Design Accountable Engagement

Neighborhood Plan

6 Issue Areas:

Community Health and Safety

Business and Economic Strength

Neighborhood Character, Culture, and History

Housing

Community Strength and Self-Determination

Transportation and Mobility

Implementation Plan

- Working on translating the Neighborhood Plan to an actionable implementation plan
- Partnering with City Departments and CID Partners to ensure viability and accountability
- Looking to have draft in Q1 of 2024

ISRD Overlap

- Interested in looking at potential for partnership when considering implementation
- Moving forward actions steps, particularly around lighting and other public spaces.
